

CHRIS-CRAFT STINGERS

Welcome to the April, 2014 Newsletter!

Welcome to the April, 2014 newsletter! The newsletter was a little late going out this month due to a family vacation.

This past month, more Stingers were added to the registry. There are now 669 Stingers in the registry. To see a break-down by model and year of the Stingers in the registry, make sure to check out the registry page on the website at: <http://chriscraftstingers.com/registry.php>.

Over the years, as I've documented more and more Stingers, the number added to the registry per month has declined. The information for most of the Stingers that are currently documented either come from owners contacting me or by boats listed for sale on the Internet. I suspect that there are owners out there who are not familiar with the Internet. I do my best to get the word out about my website, and whenever I'm traveling I'm looking for Stingers. Should you come across a Stinger in your travels, feel free to snap a few pictures and send them my way.

Until next month,
Han

Price Sheets

In researching the Stingers, one of the more interesting pieces of documentation I've come across are price sheets for the boats. The price sheets were originally put out by Chris-Craft and listed not only the price for each boat, but also the price for factory options.

As an example of what one can find in the price sheets, I will use a 1984 312 SL Stinger. For 1984, one could buy a 312 SL Stinger in the following configurations for the following amounts:

- 2-330 Mercs-TRS Drives: \$59,559
- 2-370 Mercs-TRS Drives: \$71,995
- 2-400 Mercs-TRS Drives: \$78,295

Once you had selected your engine combination, you had the following factory options you could choose from:

- Extinguisher system, halon: \$545
- Ice box: \$95
- Imron paint finish: consult dealer
- Lights, docking: \$365

- Marine head: \$125
- Shipping cover: \$505
- Speedometer: \$75
- Spotlight, remote: \$380
- Stereo with 2 speakers: \$575
- "Stinger" letters on side: \$400
- Swim platform, teak: \$640
- Swim platform, fiberglass: \$640
- Trim tabs, heavy duty, in place of std: \$1790.

Interesting list to say the least. For 1984, there were three 312 models listed, the 312 SL, the 312 SL Limited, and the 312 Competition. The top of the line 312 Competition with 2-460 Mercs-TRS drives had a list price from the factory of \$130,595.

The price sheets include a listing of other Stingers as well as other models including the Chris-Cat offshore catamarans. If you are interested in the price lists, you can view the ones I have on the models page of the website at: <http://chriscraftstingers.com/models.html>. I believe you will find them an interesting read.

Stingers for Sale

Below is a list of Stingers that have come up for sale during the previous month. The information for each boat in this section accompanied the owner's original advertisement. If you are interested in one of the boats for sale, and need more information, please contact me at ccstinger@gmail.com.

Model: 1982 312
Location: Destin, FL
Asking Price: \$9,500

This is a classic example of Murray Boat (aka Chris Craft) 80's version of the sport 'cigarette'. This boat is all original. . . twin Mercruiser 300HP (454 cid) V8's, with pre TRS outdrives that are known to be all but bulletproof, velvet drive transmission (still goes in an out of gear like butter) and all original instrument panel, original cleaver props. Teak is in excellent condition. Does not have through hull exhaust so no waking the world when you cruise, can hear the whine of those big V-8's instead. . . a beautiful noise for those that appreciate a big blocks in sync. No serious dings or cracks, paint is in good condition. Engines had a partial top end overhaul in 2010; new risers, alternators, seawater pumps, refreshed oil pan's, refurbished cooling plumbing and new water distribution manifold plus NEW transom. Now for the 'others', last time the boat ran was in 2010 during the poker run and haven't had it in the waters since. Port engine has a outdrive lift leak. Stbd engine has an electrical problem that needs troubleshooting. Engines ran fine for the poker run, electrical issue is causing it not to crank. Trailer is in fair condition goes with boat in sale. Original Chris Craft emblems are mostly in good shape, some have corrosion. Interior flooring is new with rebuilt steps. Original interior other than that. Overall this boat is sound, will need some work, but if you appreciate a classic it is a labor of love. Engines are completely original and ran smooth in 2010. Selling because I don't have a truck anymore and no time to work on it anymore, this is a classic boat and hard to find one in overall this good condition. If I were to prioritize work to get on the water, troubleshoot electrical issue on stb engine (I have pics of where I think the problem is), fix port engine trim, tune up and carb rebuild. . . start and push the throttles forward! Additional photo's for serious inquiries, I have tons of pics that highlight every inch of the boat. Price is reasonable for such a rare find!

Model: 1985 260
Location: Lusby, MD
Asking Price: \$15,000

Too much to list - Complete Restoration, New Twin Merc 383 stroker packages with Bravo out-drives (all New, still under warranty(3yr warranty) and avail extended warranty. Complete drive-train put in last year. has trailer and kept on a boat lift, "all" work professionally done by Marina/certified mechanic. Not a handyman special. Have all receipts and documentation top to bottom. Comes with Slip fees paid for the rest of the year, full use and on remote controlled lift. ***Gauge cluster is the only thing on the boat that has not been upgraded, updated or replaced yet on entire boat*** The outdrives were stolen a few months back (however a clean theft, very professional, boat, transom nor any cables were damaged or broken)and I am just trying to make up the difference from the pay off. So someone will get a good deal for most of nothing. 15 k takes the whole package, 72k into it (minus outdrives of course)

Model: 1985 260
Location: McGregor, MI
Asking Price: \$9,900

26' 1985 Chris Craft Stinger for sale. 2 260HP motors. Comes with trailer. This boat is in good condition with newer upholstery. The exterior color is red/white and the cuddy is gray. There is a newer stereo system, small sink with storage area and porta potti below, a bimini top and cockpit cover. I can email extra photos if needed.

Model: 1985 390
Location: St Clair Shores, MI
Asking Price: \$27,500

1985 Chris Craft Stinger 39'. This is the original Miami Vice boat. 2 - 465hp 502ci Mercruiser engines with Gil Exhaust (these were bought as brand new dropins from Mercruiser) approximately 400 hours on both TRS Drives Hydraulic trim tabs 4 Blade stainless props (A perfectly matched prop for the boat) cruise 35 top speed 56-60 Drives were gone through last season Interior professionally redone at the beginning of this season Brand new 3m scotchprint vinyl wrap done at the beginning of the season Brand new sound system installed at the beginning of this season (not cheap junk either) Comes with a boat slip at emerald city marina for the remainder of the season The boat is currently in the water and used every weekend. Test rides available for serious buyers. This is a turn key boat that needs nothing to use daily. The boat cuts the water and is super smooth even when the water is choppy. There are no problems with getting the boat on plane either, and is one of the best smoothest offshores I've ever been on.

Model: 1987 390
Location: Hilton Head Island, SC
Asking Price: \$89,500

1987 Chris Craft Stinger 42ft. Mercruiser twin 496 engines, Myco trailer, deck awning, head, 3 batteries and fiberglass hull. We purchased the boat as a hull then totally restored it about 10 years ago. About 6 years ago we installed two new 496 magnum merc cruiser engines with currently about 200 miles. We rewired the entire boat about 3 years ago. This season we replaced the manifolds So the boat has been maintained and is in good working order I would characterize the finishes of the boat as "worn around the edges" but as hinges and snaps corrode we replace them The boat has a working head & shower Galley/ microwave/ref/sink TV stereo/cd/sat system/ ipod dock deck compass GPS

Model: 1988 202
Location: Rochester, NY
Asking Price: \$8,000

I have a super rare 88' chris craft stinger 202 for sale. It has 165 hours on the hull. This boat is like brand new. I literally just finished it. This is the coolest fiberglass speed boat that Chris Craft ever made and was made for the Miami Vice tv series. They were built in very limited quantities and there are only a handful of these left. There is a website dedicated to them, I know of no other boats that have a cult following. I built this one to be better than it was originally. It is an attention grabber. I get compliments on it wherever I am and have had numerous offers on it even before I restored it. I'm selling it because I'm getting married and need the money. I just put well over \$7500 into it this summer alone and have well over 12K into it total. I had planned on using it but sadly it needs to go. Weddings are insanely expensive and I'm finding out the hard way. I replaced the motor and outdrive. It has an OMC 4.3L v-6 and an OMC cobra outdrive. Next, I gutted the boat completely and installed new marine ply, fiberglass, carpet, custom built seats and engine cover and had everything professionally upholstered. I installed a new GT steering wheel, a Sony marine cd/mp3/satellite radio which sounds awesome, a new bilge pump, new fuel lines, new aluminum swivel/slider/adjustable height seat posts and new Tracker style folding seats. The interior work cost over \$4K alone but was well worth it. It came out awesome. I had a 4bbl. Rochester carb installed which brings the HP up to 205 and will do over 60MPH. I had the pin striping re-done on the boat and matching Shorelandr trailer. I replaced the tires, lights, and started to strip and repaint the entire trailer. It also has a new deep cycle battery. There are 2 swim platforms molded into the stern that have teak foot boards and they were also refinished and look great. I also just purchased a new trailerable cover for it. I even just filled the tank with ethanol free 93 octane fuel. I'm probably forgetting a lot. If you're interested you must include the words eighty-eight chris craft to get a response due to spammers. I know it's the wrong time of the year to sell a boat and I could get more for it this spring which is why I priced it where it is. It is well worth the money. Chris craft builds the very best boats around and this one is better than new.

Model: 1988 260
Location: Rocky Mount, MO
Asking Price: \$11,500

This is a 1988 Chris Craft Stinger 260. It has twin 260hp 350 cid small blocks with mercruiser Alpha ones. The boat was painted by Vincent custom paint several years back and has a custom fairing. The boat runs and drives great. It has a great sounding stereo with iPod controls wired and wireless remote and 10" sub. The interior is pretty decent with most of it having been redone the interior cabin needs finished. Comes with a 10,000 lb Fiber steel lift. I have owned this boat since 1997 and used it a lot. It is far from perfect but is in ready to use condition. \$11,500 or may trade for muscle car, UTV, diesel truck.

Model: 1988 260
Location: Virginia Beach, VA
Asking Price: \$10,500

88 Chris Craft Stinger with 2- 330hpr 350 V8's We have redone all the exterior upholstery and 90% of the interior. New stereo and VHS Port engine has 50 hrs stbd has 300 hrs Remaining issues Stbd engine has a leaking exhaust manifold that needs to be addressed. I am connecting the stereo and VHS before it sells. I have also been reinforcing the swim deck. This boat is well worth the money and leaves plenty of room to make money on this boat if that is your choice. I have all documentation from new and from the original owner. Worth the time to look and see if it's your ticket to the Prop Stop.

Location: Hahira, GA
Asking Price: \$7,000

I have a boat that I need to get rid of. I hardly ever use it and would like someone to enjoy it. I originally bought the boat back in 2005 and purchased just the hull for \$1k. I rebuilt the boat from front to back from bottom to top. The boat was repainted and graphics were painted on. The boat has a 5.7l mercruiser with a Alpha One Gen II outdrive. The motor came with a point distributor and a coil pack, that was taken out 2 months ago and was replaced with a MSD High Marine Distributor along with new wires and plugs with a Holly Marine Carb. Exhaust is 4" with flappers. Gauges or Livorsi (oil, temp, battery, volt, rpm.) Front seat are stand up bolsters with a actuator to move back and forth that come out of a Donzi and was shipped from Kansas. Everything that I have for the boat will be included and also have a few videos on my phone from this summer if interested. If you have any

questions in regards to the boat, feel free to email.

1987 CHRIS CRAFT STINGER 202 -- LOW HOURS, DEEP-V CIGARETTE SPORT BOAT My loss is your gain. For sale is my custom Chris Craft Stinger 202 that I bought new in 1987. The 21-foot long mini-sport boat has a deep-V hull just like the bigger Cigarette-style boats. It is powered by a GM/Chevy 4.3L V6 that runs through an OMC I/O stern drive with a stainless steel prop. The drivetrain combination coupled with the fast hull design propels the boat to more than 50mph without needing massive horsepower or using a ton of fuel! The Stinger has an honest 29 hours on it as it has not been used much during its life nor was it ever loaned out. I am the ONLY one who has ever piloted it and it has been in my possession since day one. It basically turned into a project boat that I was building a V8 for, until time and money got away from me. I had a custom paint and graphics job applied a few years ago. But since it's been sitting outside the clear is peeling off of the top deck and needs to be redone. Despite the clear, the hull is in perfect condition with no cracks, scratches or broken areas. I had a completely new interior created using marine-grade vinyl with custom colors on the engine cover/pad. The interior has never been installed and has been kept secure in a large shop, out of harm's way and the elements. The boat also comes with a full complement of top-of-the-line VDO square-bezel marine gauges, featuring double hermetically sealed lenses. The gauges set me back \$1500 and have never been used. They are mounted in a custom carbon fiber dash. They also have never been installed in the boat and have been protected and stored inside. The boat has all stainless steel deck and pad

railing with Teak swim step inserts at the rear. Basically what the boat needs is someone willing to apply a little TLC and put it back together. The engine is sound, but will need a basic tune-up and carb cleaning. It is quiet with through-prop exhaust, so you won't have the water patrol cops pulling you over. The boat comes with everything, including a custom TrailRite heavy duty tandem axle trailer with new tires and a custom made heavy duty boat cover. The boat and trailer have clean and clear titles in my name and have up-to-date registration. This boat is one of the best looking and coolest vehicles I have ever owned and received more looks and thumbs up than any Corvette, Camaro or Ferrari I've driven. It is a relatively inexpensive way to cruise the water in a boat that looks and performs like it cost a whole lot more. Pictures show actual exterior of the boat. Interior images are of what the stock cockpit looked like prior to having the custom upholstery done and VDO dash created. No scammers!! I will answer any questions you have and will arrange to show serious parties the boat. \$6100 or best REASONABLE OFFER!
