

Welcome to the October, 2016 Newsletter.

October is a sad time up here in the north as that's typically when boats have to be taken out of the water, winterized, and stored for the winter. That's no different for me – my boat is in storage and am thinking about just what work I'm going to do over the winter.

This time of the year, activity on the website also slows down. The number of Stingers in the registry is inching up to 800 – there are now 798 Stingers listed in the registry. Of course, I'll never know just how

many Stingers are really out there – 900, 1,000? But it always fun to find a new one I've never seen before. So, I keep looking. That's what keeps me interested in maintaining the site!

Until next month,
Han

Stinger Recovered!

In the May, 2015 issue of the newsletter, I wrote about a 1987 Stinger 222 that had been stolen from its owner in Missouri. I'm happy to say that the boat has been recovered! An ad appeared on

Craigslist for the stolen boat. The owner contacted the police – the police currently have the boat and are awaiting paperwork in order to return the boat to its owner.

While having a boat stolen is never a good thing, there is a silver lining with regards to this story. In the time since the boat had been stolen, it had been updated. The updates included some minor cosmetic changes – but it also included the original Alpha out-drive being replaced by a Bravo! Obviously this is not what happens to the majority of stolen boats - I'm just glad to hear that it has been recovered in decent shape.

Stingers for Sale

Below is a list of Stingers that have come up for sale during the previous month. The information for each boat in this section accompanied the owner's original advertisement. If you are interested in one of the boats please contact me at ccstinger@gmail.com.

Model: 1988 312
Location: Rockwall, TX
Asking Price: \$11,000

Well loved ready for the lake 1988 Chris Craft Stinger 312. Twin Ford 460s pushing perfect condition OMC King Cobra drives with Raker stainless steel chrome props. 33ft long including swim platform. Folks love the classic lines of this Miami Vice era cigarette boat. Elegant, roomy and FAST! Comes with all aluminum 6 wheel trailer with custom aluminum wheels, and new inertia activated brakes. Porta potty included. Always stored indoors. Nice upholstery. The boat weighs 7400 lbs and my Ford Expedition with a 5.4 liter V8 and cat 2 towing package handles it just fine. It's fun being "king of the lake". I would trade a nearly new ZX14 or a nearly new VFR 1200. Might trade a muscle car or a cool car, or a flying Cessna 150. Please do not send trades for cruiser bikes. I dig crotch rockets and sport touring bikes only. I'll be glad to accept a low ball offer, but I keep the trailer with custom wheels and new brakes, the brand new batteries, the eight life vests, anchor, fire extinguishers, all the ropes, porta potty, umbrella shade, the mooring pole, four dock bumpers, the sony stereo, and the spotlight.

Model: 1982 260
Location: Waukegan, IL
Asking Price: \$21,000

For Sale: DIXIE NORMOUS 1982 Chris Craft 260 Stinger Built in 1982 in Bradenton, Florida I purchased this Boat in June 2009. This boat had a scratch and/or a ding here and there yet ran and drove quite well. I'm in my mid 70's and have been a boat person all my life, and I might add that I operated a full service boat company for several years. I'm quite capable of handling any mechanical, wood or fiberglass challenges. I'm retired and I have time on my hands, so I applied myself and brought this boat up to my standards. I also have many friends in the boat business so there's very little I or they can't handle. This boat has twin 260HP, 350cu/in engines with Alpha One outdrives. It has a Teak swim platform as well as a 3 blade stainless prop. I repaired the dings and scratches on the hull, prepped then painted the hull. I used the original colors for the base coat then clear coated it. Over the years I made several changes (they're listed below) because I had the ability, time and finances. I've always used Mobil 1 15/50 in the engines along with Merc oil filters. All the parts and upgrades I have used on this boat were from Mercruiser. At present the exterior of this boat is as new as are all the cushions and seats. I never got to the cabin which could use some updating. Upgrades and Enhancements that I have done to this boat. Paint entire exterior using original colors. 2010 Recovered and replaced the foam in all cushions and seats 2010 Installed remote oil filter up grade (for easy access.) 2010 Installed new exhaust manifolds & risers (center type risers.) 2011 Installed through the transom exhaust system (using 4" polished stainless) 2011 Complete ignition upgrade to Thunderbolt IV 2011 All new shift and throttle cables 2012 New Quicksilver controls 2012 Install onboard marine battery charger 2013 Install new trim and tilt sensors 2013 Complete Drive service on both drives 2014 Rebuild both Carbs. 2014 Installed new pedestals on front seats Added batteries (boat now has 4 batteries.) Installed battery quick disconnect switches Installed crossover switches for emergency starting

Model: 1982 312
Location: Monroe, MI
Asking Price: \$9,500

1982 312 Chris Craft Stinger, twin 454's 330hp each, trs drives. Boat's in decent shape, we put about 4K in the engines in 2011, all new gaskets, hardware, cast aluminum headers, exhaust tips, valve job. Gages are liquid filled about 5 years old. Trailer is aluminum I-Beam, all stainless hardware and disc brakes. The main problem is the gas tank developed a slow leak and needs to be repaired. It's a 150 gallon under the deck tank. Distributors have Pertronix electronic ignitions installed.

Model: 1984 390
Location: La Mirada, CA
Asking Price: \$49,500

Likely the finest original 1984 Stinger 390X in existence, particularly in the rare factory beige/brown/yellow/orange color scheme. Continues to have original hardware, colors, graphics, stereo, refrigerator, gauges, outdrives, engines, and MYCO trailer. Engines rebuilt Fall 2014, only 20 hours operation since. Trailer improved with disc brakes (were drum), new springs, master cylinder hitch assembly, tongue jack, line lock for backing, chains and more. Cabin now has Teak floor and brushed stainless fridge door. Cockpit updated with amplifier, Rockford-Fosgate speakers, stainless counter/sink top, Teak floor and trim, new upholstery, new gauge bezels and powder coated surrounds and more. Engines extremely well cared for and start/run well. Outdrives received new bellows and carrier bearings Fall 2014 as well. Fresh cockpit, deck and bottom Awlgrip Awlcraft 2000 paint with professionally applied silicone anti-skid finish. Most of this boat's life was in Portland, Oregon in fresh waters of the Columbia River. Always high-and-dry or trailered. Currently in Southern California. This boat is a joy to own/operate, and particularly rewarding when answering to compliments, questions and admiration where ever you take it! Mionli Vice is truly an important part of American boating history, that is gaining value and more notoriety every day. It can be yours!

Model: 1986 260
Location: Knoxville, TN
Asking Price: \$7,500

This is a rock-solid all fiberglass 1986 26' Chris Craft Stinger LTD with a great trailer! It is a bit of a project, but not an insurmountable one. This boat features twin 260 hp Mercruisers with outdrives, drop down bolsters, power trim tabs, V-berths, a radar arch (not installed in the pictures but I have it), and a nice built-in swim platform. The boat was on a lift and swamped in a storm a few years ago, so the engines were removed and completely rebuilt by a professional mechanic. It has all new exhaust manifolds. The engines and drives now need to be reinstalled, but the motors have zero hours on them. The upholstery is original and complete, but is weathered. The carpet in the interior needs to be replaced. The hull needs to be polished, but, like I said, it is very solid with no soft spots in the flooring at all. The trailer is a galvanized Wesco tandem axle with brakes on both axles. This trailer is heavy duty and makes other boat trailers look like toys! The trailer itself is worth at least \$5000. I know, because I looked for one endlessly until I found this one! This is great looking, solid boat that is the perfect size for our area lakes. With a little work you can have something special for a bargain price. It has been stored inside my garage for several years which is why it is so dusty in the pictures. It is now stored under cover on its trailer. I will consider all trades, especially for old cars and/or motorcycles or later model heavy-duty pickups or vans.

Model: 1988 202
Location: Rochester, NY
Asking Price: \$8,000

I have a super rare 88' chris craft stinger 202 for sale. It has 165 hours on the hull. This boat is like brand new. I literally just finished it. This is the coolest fiberglass speed boat that Chris Craft ever made and was made for the Miami Vice tv series. They were built in very limited quantities and there are only a handful of these left. There is a website dedicated to them, I know of no other boats that have a cult following. I built this one to be better than it was originally. It is an attention grabber. I get compliments on it wherever I am and have had numerous offers on it even before I restored it. I'm selling it because I'm getting married and need the money. I just put well over \$7500 into it this summer alone and have well over 12K into it total. I had planned on using it but sadly it needs to go. Weddings are insanely expensive and I'm finding out the hard way. I replaced the motor and outdrive. It has an OMC 4.3L v-6 and an OMC cobra outdrive. Next, I gutted the boat completely and installed new marine ply, fiberglass, carpet, custom built seats and engine cover and had everything professionally upholstered. I installed a new GT steering wheel, a Sony marine cd/mp3/satellite radio which sounds awesome, a new bilge pump, new fuel lines, new aluminum swivel/slider/adjustable height seat posts and new Tracker style folding seats. The interior work cost over \$4K alone but was well worth it. It came out awesome. I had a 4bbl. Rochester carb installed which brings the HP up to 205 and will do over 60MPH. I had the pin striping re-done on the boat and matching Shorelandr trailer. I replaced the tires, lights, and started to strip and repaint the entire trailer. It also has a new deep cycle battery. There are 2 swim platforms molded into the stern that have teak foot boards and they were also refinished and look great. I also just purchased a new trailerable cover for it. I even just filled the tank with ethanol free 93 octane fuel. I'm probably forgetting a lot. If you're interested you must include the words eighty-eight chris craft to get a response due to spammers. I know it's the wrong time of the year to sell a boat and I could get more for it this spring which is why I priced it where it is. It is well worth the money. Chris craft

builds the very best boats around and this one is better than new.

Model: 1988 260
Location: Port Washington, WI
Asking Price: \$6,500

1988 Chris Craft Stinger Project If you like it fast and loud this is the project for you. 26.5 ft Chris Craft Stinger with all the parts to put this back together and get it running are included, except for one gimbal unit and a few small parts. Cockpit will need to be redone. The cabin is in fine shape. It has a swim platform and a radar arch. It does need some tlc and the bottom painted. Tandem axle trailer with surge brakes, can be towed anywhere. The 5.7 Mercruiser engines have been removed to replace the gimbals. Starboard 260 hp motor has been rebuilt three years ago and has less than two hours running time. The port 270 hp motor has been rebuilt a few years back with low hours on it. Both alpha drives with props are included. One gimbal has been purchased and another will be required. The steering system was recently rebuilt with a replacement hydraulic steering cylinder and cable. A bimini top is also included. I have over \$13,000 in this project and have lost interest. This a bargain at \$6,500 Still in storage and will be out April 1

Boat Hull is pretty clean, Imron paint two years prior to me buying her in 2013 (per previous owner), set up for SBC twins and alpha drives, off- color repaint spot, stbd side above rub rail. DOES NOT INCLUDE ENGINES, but includes drives, bennet tabs, all cables, rigging and harnesses in place. has drop down bolsters with adjustable headrests, but the upholstery is SHOT. the top edges are all split from sun and exposure (prior to me owning it), no back seat and no sunpad cushions. cabin cushions are intact and upholstery is good. through-hull exhaust and integral swim platform. Chris Craft also puts the HIN on the hull itself so you can run it with the platform removed. Includes Boatmaster aluminum double axle trailer, needs new brakes, tires good, 6 lug wheels. I'm open to offers and possible trades (work van?) (big Blocks?). she needs some work but I also restore these and i know what a great boat she will be again, i just happen to own several Stingers and i need to let one or two go.

Model: 1988 312 Fittipaldi
Location: Chesterfield Township, MI
Asking Price: \$23,000

1988 Stinger 312 Fittipaldi Equipe. 34 foot bow to stern. Twin normally aspirated GEN V 502 HO's(Casting # 14096859) and Bravo Ones. I just had the port side Gimbal Ring replaced with OEM Mercruiser parts and installed by a Mercruiser certified shop, Dynamic Speed and Marine in the summer of 2014. Both outdrives have new trim sensors, exhaust boots, seals, drive oil, paint and graphic's. The out drives have not yet seen water since rebuild. I am rebuilding the Sea Pumps and addressing the Quadra jet Carburetors this spring 2016. Most likely Quadrajet Remanufactured Marine Carburetors.

I have the Survey and Sea trial paperwork when I bought her in September of 2013. The rear seat and the bolsters have been re-fitted. The mooring cover needs to be replaced but I'm working on that. She looks great and is sea worthy. 6 new tires and a new spare with bearing buddies.

Asking Price: \$25,000

I am plagued with surgeries all summer so I won't be able to use her and I hate to see her just sitting not being used.... Now is your chance to get a super reliable performance boat at an incredible deal!!! 1982 Chris Craft Stinger 312 *Twin newer MerCruiser MPI 502's with only 150 hours on them. *TRS drives with 27p and 25p props (low and high elevations) *New interior with billet aluminum seat bolsters *Porta potty *Triple axle trailer *Full canvas cover * The only downside is that the lower cabin should be re-carpeted to make the boat near perfect and the trailer needs a new axle due to a blown out bearing. (new axle will be included with sale) This is a super reliable and fast boat (75 mph) that makes big water (such as Tahoe) very safe and comfortable. She is a turn key boat that has been extremely well cared for with strict maintenance. Asking \$25,000 No Scammers! No Solicitors! Cash only deal.....you show up with money and I'll sign over the title to both the boat and trailer. I might consider partial trades, let me know what you got (Jeeps, performance car stuff, etc.) If you see this ad, the boat is still for sale.

Model: 1983 260
Location: Truckee, NV
Asking Price: \$33,777

Late season, temporary price reduction.* Chris Craft Stinger 260 - 26'4" long hull 600+ horsepower true deep V hull featuring twin Mercruiser V8s and Mercruiser outdrives. Cuddy cabin in grey and black, cockpit in white, hull in white. 1983/1984 hull build date, it is the thick, strong hull you will read about. Mercury Racing Cleaver props both in a standard rotation. Full instruments and quick release removable steering wheel. It is setup and propped for Lake Tahoe elevation and will run at 50-55 in a quick cruise or 75+ wide open. It can handle big water, big waves, big jumps and high speeds nicely. This was the boat used for the original Miami Vice series as well as countless offshore race wins. It is a hand built and human designed hull. The boat has spent its entire life in the Tahoe area and only been launched on Lake Tahoe or Donner lake. The cockpit and cabin interiors have been 100% redone and modernized for a fresh look and weight savings. All non structure wood on the boat, including the swim deck has been replaced with new composite materials for weight and durability improvements. The cabin interior has been streamlined for weight savings yet still offers a sleeping/lounge area, entertainment, storage and overall comfort for family and friends. The appliances have been deleted as well as water holding tanks. Engines are twin 5.7 liter (GM 350 based) modified into 383 strokers. Triple axle US Trailers, trailer in black with chrome and black wheels is included. Boat has a clear title and is 100% ready to go, comes with main supplies and required USCG gear for a vessel this size, even brand new life jackets. Registration and inspection fees paid through the 2017 season. Two covers, full boat and cockpit only. This is a big, fast and ready to run boat. Serious offers only please, cash is king but open to good trades

Asking Price: \$7,400

Up for sale is a classic 1979 Chris Craft Stinger. This boat is in great running condition. It has a newer rebuilt 350, thru hull exhaust with polished tips. The out drive is MerCruiser and also in great running shape. The Trim Taps are in great shape and work well. This boat runs 65 miles an hour. 3 new Marine batteries, new Bluetooth stereo, 4 6x9's and 1 10" sub. Sounds awesome. Full boat cover from front to back. The things this boat needs are simply cosmetic - the paint on the top of the bow should be repainted, the interior upholstery is worn and could be replaced, and 1 driving light is burnt out. With some improvements this boat could be a great classic that may go up in value. Comes with trailer \$7,400
