

Welcome to the December newsletter.

This past month has been very slow both in terms of the number of visits to the website and the number of new boats that have come up for sale. In fact, for the first time since I started the website, no new Stingers came up for sale in November. I'm

confident I don't have every Stinger on the registry – activity will pick up as the boating season starts next year, and I expect to see new Stingers then.

This is also the first time in a while that I don't have an article for the monthly newsletter. I knew a day would come when I would have no new information to write about – and while I don't believe there will never be another article, it is becoming

harder to find new information about the Stingers. Having said that, if you have an idea for an article for the monthly newsletter, please feel free to let me know.

Have a Happy Holiday Season!

Until next month,
Han

Model: 1979 Excalibur 310
Location: Buffalo, NY
Asking Price: \$7,500

I HAVE THE BARE HULL WITH TRAILER TRI AXEL AND NEW INTERIOR STILL HAS FOUNTAIN WING ON IT ASKING 7500.

Model: 1982 312
Location: Destin, FL
Asking Price: \$7,500

This is a classic example of Murray Boat (aka Chris Craft) 80's version of the sport 'cigarette'. This boat is all original. . .twin Mercruiser 300HP (454 cid) V8's, with pre TRS outdrives that are known to be all but bulletproof, velvet drive transmission (still goes in an out of gear like butter) and all original instrument panel, original cleaver props. Teak is in excellent condition. Does not have through hull exhaust so no waking the world when you cruise, can hear the whine of those big V-8's instead. . . a beautiful noise for those that appreciate a big blocks in sync. No serious dings or cracks, paint is in good condition. Engines had a partial top end overhaul in 2010; new risers, alternators, seawater pumps, refreshed oil pan's, refurbished cooling plumbing and new water distribution manifold plus NEW transom. Now for the 'others', last time the boat ran was in 2010 during the poker run and haven't had it in the waters since. Port engine has a outdrive lift leak. Stbd engine has an electrical problem that needs troubleshooting. Engines ran fine for the poker run, electrical issue is causing it not to crank. Trailer is in fair condition goes with boat in sale. Original Chris Craft emblems are mostly in good shape, some have corrosion. Interior flooring is new with rebuilt steps. Original interior other than that. Overall this boat is sound, will need some work, but if you appreciate a classic it is a labor of love. Engines are completely original and ran smooth in 2010. Selling because I dont' have a truck anymore and no time to work on it anymore, this is a classic boat and hard to find one in overall this good condition. If I were to prioritize work to get on the water, troubleshoot electrical issue on stb engine (I have pics of where I think the problem is), fix port engine trim, tune up and carb rebuild. . .start and push the throttles forward! Additional photo's for serious inquiries, I have tons of pics that highlight every inch of the boat. Price is reasonable for such a rare find!

Model: 1982 312
Location: Monroe, MI
Asking Price: \$13,500

1982 312 Chris Craft Stinger, twin 454's 330hp each, trs drives. Boat's in decent shape, we put about 4K in the engines in 2011, all new gaskets, hardware, cast aluminum headers, exhaust tips, valve job. Gages are liquid filled about 5 years old. Trailer is aluminum I-Beam, all stainless hardware and disc brakes. The main problem is the gas tank developed a slow leak and needs to be repaired. It's a 150 gallon under the deck tank. Distributors have pertronix electronic ignitions installed.

Model: 1984 230
Location: Culpeper, VA
Asking Price: \$6,200

Selling my 1984 Chris Craft Stinger 230XL. Boat is in great mechanical shape and is turn key. Built in an era when Chris Craft was the boat to have and some of the best built boats you could buy. Selling because unfortunately it just doesn't have the room my growing family wants so we are looking to upgrade. I had plans to keep this boat and restore it but plans changed. The Good: Has pretty much had anything that would go bad on a boat this old replaced within the last 2 years. Boat has all new stringers and floors. Custom cockpit seating and upholstery. 350 small block Chevy. Motor has: New 350 Shortblock World Products Cylinder Heads Edelbrock EPS intake manifold with ARP hardware Edelbrock Performer 600cfm carb just rebuilt MSD billet distributor Eddie Marine EMI Thunder exhaust (these headers are close to 2k new!) Runs fantastic. Depending on load it will run in the mid-upper 50's and I think with a couple more tweaks you could be at 60mph. Consumes almost no fuel so you can have fun and won't hurt you too bad at the pump. The Bad: Paint The only bad part on the boat would be the paint. At one point in its life someone decided to clear over the faded gelcoat. Now the clear is failing and has patches flaking off on the sides. I have successfully brought back the original gelcoat in a few areas that had flaked off but in reality it needs to be all stripped off. It is just a time consuming process that I have just not had time to finish. The great thing with this boat is its an excellent running vessel that you can enjoy now and work on the appearance as time allows. I guarantee it is one of the best riding/handling boat of its size that you will ever ride on. Even with its less than appealing paint I get compliments and questions everywhere I go. I know I missed a lot so please contact me with any other questions. I will be taking more pictures over the next few days as time allows. Asking \$6,200 obo. Willing to negotiate but please be reasonable, this boat could be worth a lot more if paint restored.

1987 Chris Craft Stinger 42ft. Mercruiser twin 496 engines, Myco trailer, deck awning, head, 3 batteries and fiberglass hull. We purchased the boat as a hull then totally restored it about 10 years ago. About 6 years ago we installed two new 496 magnum merc cruiser engines with currently about 200 miles. We rewired the entire boat about 3 years ago. This season we replaced the manifolds So the boat has been maintained and is in good working order I would characterize the finishes of the boat as "worn around the edges" but as hinges and snaps corrode we replace them The boat has a working head & shower Galley/ microwave/ref/sink TV stereo/cd/sat system/ ipod dock deck compass GPS

Model: 1988 202
Location: Rochester, NY
Asking Price: \$8,000

I have a super rare 88' chris craft stinger 202 for sale. It has 165 hours on the hull. This boat is like brand new. I literally just finished it. This is the coolest fiberglass speed boat that Chris Craft ever made and was made for the Miami Vice tv series. They were built in very limited quantities and there are only a handful of these left. There is a website dedicated to them, I know of no other boats that have a cult following. I built this one to be better than it was originally. It is an attention grabber. I get compliments on it wherever I am and have had numerous offers on it even before I restored it. I'm selling it because I'm getting married and need the money. I just put well over \$7500 into it this summer alone and have well over 12K into it total. I had planned on using it but sadly it needs to go. Weddings are insanely expensive and I'm finding out the hard way. I replaced the motor and outdrive. It has an OMC 4.3L v-6 and an OMC cobra outdrive. Next, I gutted the boat completely and installed new marine ply, fiberglass, carpet, custom built seats and engine cover and had everything professionally upholstered. I installed a new GT steering wheel, a Sony marine cd/mp3/satellite radio which sounds awesome, a new bilge pump, new fuel lines, new aluminum swivel/slider/adjustable height seat posts and new Tracker style folding seats. The interior work cost over \$4K alone but was well worth it. It came out awesome. I had a 4bbl. Rochester carb installed which brings the HP up to 205 and will do over 60MPH. I had the pin striping re-done on the boat and matching Shorelandr trailer. I replaced the tires, lights, and started to strip and repaint the entire trailer. It also has a new deep cycle battery. There are 2 swim platforms molded into the stern that have teak foot boards and they were also refinished and look great. I also just purchased a new trailerable cover for it. I even just filled the tank with ethanol free 93 octane fuel. I'm probably forgetting a lot. If you're interested you must include the words eighty-eight chris craft to get a response due to spammers. I know it's the wrong time of the year to sell a boat and I could get more for it this spring which is why I priced it where it is. It is well worth the money. Chris craft builds the very best boats around and this one is better than new.

It is far from perfect but is in ready to use condition. \$11,500 or may trade for muscle car, UTV, diesel truck.
