

**Welcome to the January, 2016 Newsletter!**

**Where Are They Now?**

Beach, FL. One of the reasons the company gave for moving was that it wanted to be closer to the majority

of its customers. Looking at the graph, this reason does seem valid.

Obviously a lot of the Stingers have moved from where they were originally purchased. But with about 40% more

Stingers in

Florida than the next largest concentration (New York), it does seem like Chris-Craft made the right decision in moving its headquarters.

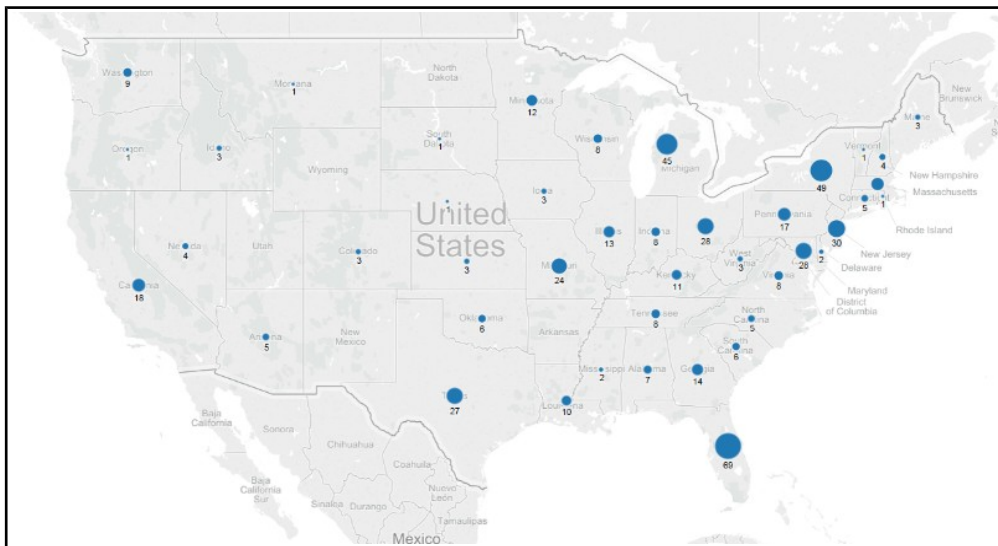

Welcome to the January, 2016 Newsletter.

After the start of the new year, activity begins to pickup on the website. There are now 761 Stingers on the website compared to 758 at the end of

last month. One of the boats newly added to the registry is a Chris-Craft Excalibur 310 (Stinger 312) whose hull number indicates that it was built by the Excalibur company. This is the second verified Chris-Craft Excalibur 310 built by Excalibur in the registry.

In addition to the new boats added to the registry, the "for sale" page on the website also includes new entries, including a 1987 Chris-Craft Stinger 415. Head on over to the page if interested!

Until next month,  
Han

For this month's newsletter, I decided to put together an image that displays where the current Stingers are by state. Maintaining the registry, I knew there was a concentration of Stingers on the east coast as well as around the great lakes. While the analysis confirms this, I was surprised to see that Texas and Florida have a number of Stingers as well – Florida having the most of any state!

The number of Stingers in Florida is interesting from a historical perspective. Chris-Craft was originally head-quartered in Algonac, MI. However, in the late 1950s, the company decided to move its head-quarters to Pompano

Fresh complete tune up, wires ,plugs distributor, coils and so on all high performance parts fall of 2015. I will be making a lot more improvements this spring. I don't have any pics of the cabin now but i will get some when its warmer or upon request. Its all in nice condition. Runs and sounds awesome, windy 2 foot chop 62 mph gps. Turn key boat.

Model: 1982 260  
Location: Waukegan, IL  
Asking Price: \$21,000

For Sale: DIXIE NORMOUS 1982 Chris Craft 260 Stinger Built in 1982 in Bradenton, Florida I purchased this Boat in June 2009. This boat had a scratch and/or a ding here and there yet ran and drove quite well. I'm in my mid 70's and have been a boat person all my life, and I might add that I operated a full service boat company for several years. I'm quite capable of handling any mechanical, wood or fiberglass challenges. I'm retired and I have time on my hands, so I applied myself and brought this boat up to my standards. I also have many friends in the boat business so there's very little I or they can't handle. This boat has twin 260HP, 350cu/in engines with Alpha One outdrives. It has a Teak swim platform as wells a 3 blade stainless props. I repaired the dings and scratches on the hull, prepped then painted the hull. I used the original colors for the base cote then clear coated it. Over the years I made several changes (they're listed below) because I had the ability, time and finances. I've always used Mobil 1 15/50 in the engines along with Merc oil filters. All the parts and upgrades I have used on this boat were from Mercrusier. At present the exterior of this boat is as new as are all the cushions and seats. I never got to the cabin which could use some updating. Upgrades and Enhancements that I have done to this boat. Paint entire exterior using original colors. 2010 Recovered and replaced the foam in all cushions and seats 2010 Installed remote oil filter up grade (for easy access.) 2010 Installed new exhaust manifolds & risers (center type risers.) 2011 Installed through the transom exhaust system (using 4" polished stainless) 2011 Complete ignition upgrade to Thunderbolt IV 2011 All new shift and throttle cables 2012 New Quicksilver controls 2012 Install onboard marine battery charger 2013 Install new trim and tilt sensors 2013 Complete Drive service on both drives 2014 Rebuild both Carbs. 2014

Installed new pedestals on front seats Added batteries (boat now has 4 batteries.) Installed battery quick disconnect switches Installed crossover switches for emergency starting

Model: 1982 312  
Location: Monroe, MI  
Asking Price: \$13,500

1982 312 Chris Craft Stinger, twin 454's 330hp each, trs drives. Boat's in decent shape, we put about 4K in the engines in 2011, all new gaskets, hardware, cast aluminum headers, exhaust tips, valve job. Gages are liquid filled about 5 years old. Trailer is aluminum I-Beam, all stainless hardware and disc brakes. The main problem is the gas tank developed a slow leak and needs to be repaired. It's a 150 gallon under the deck tank. Distributors have Pertronix electronic ignitions installed.

Model: 1984 390  
Location: La Mirada, CA  
Asking Price: \$49,500

Likely the finest original 1984 Stinger 390X in existence, particularly in the rare factory beige/brown/yellow/orange color scheme. Continues to have original hardware, colors, graphics, stereo, refrigerator, gauges, outdrives, engines, and MYCO trailer. Engines rebuilt Fall 2014, only 20 hours operation since. Trailer improved with disc brakes (were drum), new springs, master cylinder hitch assembly, tongue jack, line lock for backing, chains and more. Cabin now has Teak floor and brushed stainless fridge door. Cockpit updated with amplifier, Rockford-Fosgate speakers, stainless counter/sink top, Teak floor and trim, new upholstery, new gauge bezels and powder coated surrounds and more. Engines extremely well cared for and start/run well. Outdrives received new bellows and carrier bearings Fall 2014 as well. Fresh cockpit, deck and bottom Awlgrip Awlcraft 2000 paint with professionally applied silicone anti-skid finish. Most of this boat's life was in Portland, Oregon in fresh waters of the Columbia River. Always high-and-dry or trailered. Currently in Southern California. This boat is a joy to own/operate, and particularly rewarding when answering to compliments, questions and admiration where ever you take it! Mionli Vice is truly an important part of American boating history, that is gaining value and more notoriety every day. It can be yours!

**Model: 1985 260**  
**Location: Knoxville, TN**  
**Asking Price: \$18,995**

Here is your chance to own one of the most legendary boats in the history of offshore. This is the 26' version of the Chris Craft Stinger. This particular model is the 260 SL limited. This features upgraded graphics and interior treatments as well as the iconic radar arch. This boat was repowered with completely rebuilt 1994 Mercruiser 5.7 (350) EFI engines in 2005. Get the look and performance of the classic twin engine V-8 offshore boat with the efficiency and reliability of modern electronic fuel injection (throttle body fuel Injection for you techies). Sorry, no accurate reading on the hour meters, but again the engines were completely (Crank, pistons, heads, etc...) rebuilt in 2005. This boat fires up every time, gives great performance, with a smooth ride that most new boats can't match.

**Model: 1985 314**  
**Location: St Marks, FL**  
**Asking Price: \$18,000**

1985 Chris-Craft Stinger 314 S. Twin Yamaha 225's with 500 hrs. Just completed 100 hr maintenance. Includes Garmin GPSMAP 720s, Clarion AM/FM/CD Stereo, Uniden VHF marine radio with new antenna, full canvas boat cover, trim tabs, fuel management system, new Carling rocker switch panel. Classic boat in great shape!

**Model: 1986 260**  
**Location: Knoxville, TN**  
**Asking Price: \$9,750**

This is a rock-solid all fiberglass 1986 26' Chris Craft Stinger LTD with a great trailer! It is a bit of a project, but not an insurmountable one. This boat features twin 260 hp Mercruisers with outdrives, drop down bolsters, power trim tabs, V-berths, a radar arch (not installed in the pictures but I have it), and a nice built-in swim platform. The boat was on a lift and swamped in a storm a few years ago, so the engines were removed and completely rebuilt by a professional mechanic. It has all new exhaust manifolds. The engines and drives now need to be reinstalled, but the motors have zero hours on them. The upholstery is original and complete, but is weathered. The carpet in the interior needs to be replaced. The hull needs to be polished, but, like I said, it is very solid with no soft spots in the flooring at all. The trailer is a galvanized Wesco tandem axle with brakes on both axles. This trailer is heavy duty and makes other boat trailers look like toys! The trailer itself is worth at least \$5000. I know, because I looked for one endlessly until I found this one! This is great looking, solid boat that is the perfect size for our area lakes. With a little work you can have something special for a bargain price. It has been stored inside my garage for several years which is why it is so dusty in the pictures. It is now stored under cover on its trailer. I will consider all trades, especially for old cars and/or motorcycles or later model heavy-duty pickups or vans.

**Asking Price: \$13,500**

Estate Sale -My late father's pride and joy is now for sale. This 1987 31.5' Chris Craft Scorpion is being sold along with the 3 axle Load Rite trailer. I enjoyed many years on the Potomac River with my Dad and although his "Great Escape V" had been the envy of many it has now sat winterized, garage kept and in recent years stored at my residence. I am not a boater by nature and it is time to let that piece of my Dad and his life go while holding onto the memories. This was a Documented vessel "Certificate of Documentation" and after his passing in March 2011 was not renewed and expired July 31, 2011. The Vessel Name: The Great Escape V, Length: 31.5 Breadth: 8.0 Depth: 5.5 The Load Rite trailer is a 1989 3 axles with a Gross Weight: 15,600 This 31.5' Chris Craft Scorpion Sport Cruiser with radar arch and canvas cock pit cover has been kept out of the water for several years now, the exterior paint is sun faded but in excellent condition. The interior is in great condition and can be brought back to excellent condition with a little TLC and elbow grease. This sale includes two 7.4 cubic inch 454 MerCruiser motors, 1 has a blown head gasket. The Load Rite trailer has cradled this boat for several years, we are now looking for a boating enthusiast to bring this duo back to the waterways where they belong.

**Model:** 1988 202  
**Location:** Rochester, NY  
**Asking Price:** \$8,000

I have a super rare 88' chris craft stinger 202 for sale. It has 165 hours on the hull. This boat is like brand new. I literally just finished it. This is the coolest fiberglass speed boat that Chris Craft ever made and was made for the Miami Vice tv series. They were built in very limited quantities and there are only a handful of these left. There is a website dedicated to them, I know of no other boats that have a cult following. I built this one to be better than it was originally. It is an attention grabber. I get compliments on it wherever I am and have had numerous offers on it even before I restored it. I'm selling it because I'm getting married and need the money. I just put well over \$7500 into it this summer alone and have well over 12K into it total. I had planned on using it but sadly it needs to go. Weddings are insanely expensive and I'm finding out the hard way. I replaced the motor and outdrive. It has an OMC 4.3L v-6 and an OMC cobra outdrive. Next, I gutted the boat completely and installed new marine ply, fiberglass, carpet, custom built seats and engine cover and had everything professionally upholstered. I installed a new GT steering wheel, a Sony marine cd/mp3/satellite radio which sounds awesome, a new bilge pump, new fuel lines, new aluminum swivel/slider/adjustable height seat posts and new Tracker style folding seats. The interior work cost over \$4K alone but was well worth it. It came out awesome. I had a 4bbl. Rochester carb installed which brings the HP up to 205 and will do over 60MPH. I had the pin striping re-done on the boat and matching Shorelandr trailer. I replaced the tires, lights, and started to strip and repaint the entire trailer. It also has a new deep cycle battery. There are 2 swim platforms molded into the stern that have teak foot boards and they were also refinished and look great. I also just purchased a new trailerable cover for it. I even just filled the tank with ethanol free 93 octane fuel. I'm probably forgetting a lot. If you're interested you must include the words eighty-eight chris craft to get a response due to spammers. I know it's the wrong time of the year to sell a boat and I could get more for it this spring which is why I priced it where it is. It is well worth the money. Chris craft builds the very best boats around and this one is better than new.

**Model:** 1988 260  
**Location:** Port Washington, WI  
**Asking Price:** \$6,500

1988 Chris Craft Stinger Project If you like it fast and loud this is the project for you. 26.5 ft Chris Craft Stinger with all the parts to put this back together and get it running are included, except for one gimbal unit and a few small parts. Cockpit will need to be redone. The cabin is in fine shape. It has a swim platform and a radar arch. It does need some tlc and the bottom painted. Tandem axle trailer with surge brakes, can be towed anywhere. The 5.7 Mercruiser engines have been removed to replace the gimbals. Starboard 260 hp motor has been rebuilt three years ago and has less than two hours running time. The port 270 hp motor has been rebuilt a few years back with low hours on it. Both alpha drives with props are included. One gimbal has been purchased and another will be required. The steering system was recently been rebuilt with a replacement hydraulic steering cylinder and cable. A bimini top is also included. I have over \$13,000 in this project and have lost interest. This a bargain at \$6,500 Still in storage and will be out April 1

**Asking Price: \$4,500**

Boat Hull is pretty clean, Imron paint two years prior to me buying her in 2013 (per previous owner), set up for SBC twins and alpha drives, off- color repaint spot, stbd side above rub rail. DOES NOT INCLUDE ENGINES, but includes drives, bennet tabs, all cables, rigging and harnesses in place. has drop down bolsters with adjustable headrests, but the upholstery is SHOT. the top edges are all split from sun and exposure ( prior to me owning it), no back seat and no sunpad cushions. cabin cushions are intact and upholstery is good. through-hull exhaust and integral swim platform. Chris Craft also puts the HIN on the hull itself so you can run it with the platform removed. Includes Boatmaster aluminum double axle trailer, needs new brakes, tires good, 6 lug wheels. I'm open to offers and possible trades (work van?) ( big Blocks?). she needs some work but I also restore these and i know what a great boat she will be again, i just happen to own several Stingers and i need to let one or two go.

**Location: Chesterfield Township, MI**  
**Asking Price: \$23,000**

1988 Stinger 312 Fittipaldi Equipe. 34 foot bow to stern. Twin normally aspirated GEN V 502 HO's(Casting # 14096859) and Bravo Ones. I just had the port side Gimbal Ring replaced with OEM Merc parts and installed by a Merc certified shop, Dynamic Speed and Marine last summer. Both outdrives have new trim sensors, exhaust boots, seals, drive oil and paint. The out drives have not yet seen water since rebuild. I have the Survey and Sea trial paperwork when I bought it a year and a half ago. The rear seat has been re fitted. The mooring cover needs to be replaced but I still use the old one. The paint has had to many buff jobs with to much rubbing compounds so the clear coat is tough. aside of a couple chips she looks good and is sea worthy. 6 new tires and a new spare with baring buddies.

The first time I saw this boat at the marina I was taking pictures of another boat. It was a summer day and there was a storm moving in from the west. Dark sky, red boat that looked like it was going to jump out of the water. It would have been impossible to have had a better picture of her in action. To bad then that I didn't know I would have her listed today. This is a classic high performance boat. Christ-Craft was building the boats that everyone wanted. This boat came out in the time of Miami Vice and the group of boats racing across the the water making a statement. From all of the research I can do on this boat it appears to have been fresh water all of its life and well maintained. It is equipped with Low Hour Mercruisers 420 HP's and MC1 outdrives. Walking around this boat on the trailer you can see a little detail work that she may need but you can also see that the bones of this boat are standing tall. Very few rubs and it appeared to have no breaks in the gel coat. This boat will make a statement every time she leaves the slip. If you are looking for the boat that will turn heads and not drain your wallet to own then this should be the perfect choice.
