

## February, 2019 Newsletter

Welcome to the February, 2019 newsletter.

Having just gotten over the Polar Vortex, it would seem like the boating season is still very far off - but it's not. Activity, in terms of buying/selling Stingers, seems to have picked up. In the past couple of months, three Stingers featured on [chriscraftstingers.com](http://chriscraftstingers.com) have sold. And, this past month, a 1985 Stinger 260 has been listed for sale. This 260 is a single-owner Stinger - a rare find - and comes with the original documentation. You can see the listing below, and then head on over to the website to see more pictures [here: https://chriscraftstingers.com/gallerypage.php?gallerydir=Blast%20from%20the%20Past](https://chriscraftstingers.com/gallerypage.php?gallerydir=Blast%20from%20the%20Past).

There are now 913 Stingers in the registry, up 3 from last month.

Until next month,  
Han

## Work Begins on (Possibly) the Last 415

In May, 2018 a 1989 Stinger 415 on the east coast was listed for sale. This Stinger is interesting for two reasons - first, it's the last 415 hull number in the registry. The registry doesn't have all Stinger hull numbers in it, so I can't say for certain if this was *the* last Stinger 415 built, but it was sure close to it.

The second reason this boat is interesting is because it was in relatively good shape, and had two 550ci 700hp Bandit engines installed.

In September, 2018, the Stinger was sold. Shortly after the new owner contacted me letting me know he bought the boat.

This past month, the owner contacted me again with the following update on the boat:

In October of 2018 I pulled the engines due to leaking oil pan gaskets. I have painted the oil pans and timing covers white for visual of any oil leaks in the future. I am now repainting the bilge area, rebuilding the trim tab pumps replacing bilge pumps, replacing bilge blowers and

vent piping. The boat already has Konrad drives so that helps. Next big project is having the bottom paint removed. I am then repainting the boat. I'm getting rid of the black and replacing it Chris-Craft 1994 Turquoise color.

The Stinger 415s were the largest Stingers built - they are 41.5' in length, have a 9.0' beam, and weigh 10,200lbs dry. Because of the size of these boats, there are not

many buyers for the boats, and even less willing to restore such a large boat. It's good to see, however, that this Stinger seems to be in good hands!

If you are interested, head on over to the gallery section of the website to see more pictures of this beautiful Stinger.

1985 Chris-Craft 260 Stinger Limited this is a one owner boat . The boat has been well taken care of , its always been stored in a covered hanger or on the trailer in a building. Motors where replaced with new one Mercruiser 260 s (original equipment) in 2002 . Boat has 1200 hours on it . The 2002 engines have 200 hours on them . The outdrives where replaced in 2018 they have less than 50 hours on them . The trailer is an aluminum trailer that had complete new 6500lb axles with new breaks, wheels and tires put on in 2003 . Tires have been replaced in 2017 . It's a great boat it's been in our family for a long time , I hate to see it go but we just don't get time to use it much anymore.

**Model: 1982 260**  
**Location: Waukegan, IL**  
**Asking Price: \$21,000**

For Sale: DIXIE NORMOUS 1982 Chris Craft 260 Stinger Built in 1982 in Bradenton, Florida I purchased this Boat in June 2009. This boat had a scratch and/or a ding here and there yet ran and drove quite well. I'm in my mid 70's and have been a boat person all my life, and I might add that I operated a full service boat company for several years. I'm quite capable of handling any mechanical, wood or fiberglass challenges. I'm retired and I have time on my hands, so I applied myself and brought this boat up to my standards. I also have many friends in the boat business so there's very little I or they can't handle. This boat has twin 260HP, 350cu/in engines with Alpha One outdrives. It has a Teak swim platform as wells a 3 blade stainless props. I repaired the dings and scratches on the hull, prepped then painted the hull. I used the original colors for the base cote then clear coated it. Over the years I made several changes (they're listed below) because I had the ability, time and finances. I've always used Mobil 1 15/50 in the engines along with Merc oil filters. All the parts and upgrades I have used on this boat were from Mercrusier. At present the exterior of this boat is as new as are all the cushions and seats. I never got to the cabin which could use some updating. Upgrades and Enhancements that I have done to this boat. Paint entire exterior using original colors. 2010 Recovered and replaced the foam in all cushions and seats 2010 Installed remote oil filter up grade (for easy access.) 2010 Installed new exhaust manifolds & risers (center type risers.) 2011 Installed through the transom exhaust system (using 4" polished stainless) 2011 Complete ignition upgrade to Thunderbolt IV 2011 All new shift and throttle cables 2012 New Quicksilver controls 2012 Install onboard marine battery charger 2013 Install new trim and tilt

sensors 2013 Complete Drive service on both drives 2014 Rebuild both Carbs. 2014 Installed new pedestals on front seats Added batteries (boat now has 4 batteries.) Installed battery quick disconnect switches Installed crossover switches for emergency starting

**Location: Round Mountain, TX**  
**Asking Price: \$10,000**

If you are looking at this Stinger, you probably remember the original Miami Vice Stinger 390. Back when go fast boats had beautiful lines and didn't look like a pointed watermelon. This 1984 Chris Craft Stinger 312 is an ALL original un molested boat with the original 330 Mercruiser 454's with original air cleaners and snorkels!!, All of the upholstery is original, cabin upholstery is good, cockpit upholstery was showing some wear and squirrels tore it up in a few spots as well, but it is the original upholstery. The squirrel damage could be repaired and you could get a little more use out of it, but it does have some wear and sun damage, It is 34 years old!. Gel coat and graphics could use a good polish, but are in good shape and original. The bottom has never been painted. I traded a Stinger 260 and a gob of cash for this boat in 1995 from a gentleman in Oklahoma, I loved this boat and used it for several years on Lake Travis in Central Texas, I then sold it to a good friend of mine who lived on the lake and never used the boat. He kept it inside and started the motors regularly but never put it in the water. The motors were last started about 4 years ago and fogged when shut off. I have had it back for a couple years now and have not done anything with it, so although it is a beautiful ornament in my shop, it really needs to be enjoyed by someone. I believe the motors have around 700 hours. It has the bullet proof TRS drives that were just fully serviced less than 10 hours ago, although it was 20 years ago.

New \$1800 stereo, 20 years ago, (in the factory location with speakers in the factory locations), When last used, 20 years ago, everything worked perfectly. It is sitting on an aluminum trailer that could use some love, but will get it where it needs to go with 3- 3500lb axles and 15" tires. It will have decent used tires that should get you where you are going and functional lights. The boat is on a Texas title in my name, the trailer will come with a bill of sale. This is very likely the only 100% original 312 Stinger in existence! I think with a general service it would be lake ready. The starting bid is the bottom dollar so don't even bother with lowball offers. I love this boat and am not excited about selling it but I haven't used it in 2 years and probably won't in the next 2 years and it takes up a lot of shop space and I don't have heart to put it outside.

**Model: 1984 390**  
**Location: Glenwood, IL**  
**Asking Price: \$58,000**

1984 Chris Craft Stinger 390x. original 440 hp cyclone motors rebuilt as roller motors, B&W trans w/ TRS drives, mirage props 367 hr on hull & 60 hrs on rebuilt motors, Stainless Marine Exhaust, Survey done in 2016. Includes a triple axle trailer, excellent paint & interior.

**Model: 1984 390**  
**Location: San Antonio, TX**  
**Asking Price: \$49,500**

Likely, the finest original 1984 Stinger 390X in existence, particularly in the rare factory beige/brown/yellow/orange color scheme. Continues to have original hardware, colors, graphics, stereo, refrigerator, gauges, outdrives, engines, and MYCO trailer. Engines rebuilt Fall 2014, only 20 hours operation since. Trailer improved with disc brakes (were drum), new springs, master cylinder hitch assembly, tongue jack, line lock for backing, chains and more. Cabin now has Teak floor and brushed stainless fridge door. Cockpit updated with amplifier, Rockford-Fosgate speakers, stainless counter/sink top, Teak floor and trim, new upholstery, new gauge bezels and powder coated surrounds and more. Engines extremely well cared for and start/run well. Outdrives received new bellows and carrier bearings Fall 2014 as well. Fresh cockpit, deck and bottom Awlgrip Awlcraft 2000 paint with professionally applied silicone anti-skid finish. Most of this boat's life was in Portland, Oregon in fresh waters of the Columbia River. Always high-and-dry or trailered. Currently in Southern California. This boat is a joy to own/operate, and particularly rewarding when answering to compliments, questions and admiration wherever you take it! Mionli Vice is truly an important part of American boating history that is gaining value and more notoriety every day. It can be yours!

**Model: 1986 390**  
**Location: Tulsa, OK**  
**Asking Price: \$4,800**

1986 Chris 39' Stinger. Original was twin big block Chevys with Mercury outdrives. Engines removed years ago to re-power, but project was abandoned, sat under a cover on Long Island for several years. Was a salt boat, now in Oklahoma near lots of water, and it needs a new loving owner to restore and bring back to life. Long and sleek cigarette boat, with its own character! I trade, but not for junk. NO TRAILER, I might help with re location, in reason.

	<p><b>Model: 1988 202</b>  <b>Location: Rochester, NY</b>  <b>Asking Price: \$8,000</b></p> <p>I have a super rare 88' chris craft stinger 202 for sale. It has 165 hours on the hull. This boat is like brand new. I literally just finished it. This is the coolest fiberglass speedboat that Chris Craft ever made and was made for the Miami Vice tv series. They were built in very limited quantities and there are only a handful of these left. There is a website dedicated to them, I know of no other boats that have a cult following. I built this one to be better than it was originally. It is an attention grabber. I get compliments on it wherever I am and have had numerous offers on it even before I restored it. I'm selling it because I'm getting married and need the money. I just put well over \$7500 into it this summer alone and have well over 12K into it total. I had planned to use it but sadly, it needs to go. Weddings are insanely expensive and I'm finding out the hard way. I replaced the motor and outdrive. It has an OMC 4.3L v-6 and an OMC cobra outdrive. Next, I gutted the boat completely and installed new marine ply, fiberglass, carpet, custom-built seats and engine cover and had everything professionally upholstered. I installed a new GT steering wheel, a Sony marine cd/mp3/satellite radio, which sounds awesome, a new bilge pump, new fuel lines, new aluminum swivel/slider/adjustable height seat posts and new Tracker style folding seats. The interior work cost over \$4K alone but was well worth it. It came out awesome. I had a 4bbl. Rochester carb installed which brings the HP up to 205 and will do over 60MPH. I had the pin striping re-done on the boat and matching Shorelander trailer. I replaced the tires, lights, and started to strip and repaint the entire trailer. It also has a new deep cycle battery. There are 2 swim platforms molded into the stern that have teak footboards and they were also refinished and look great. I also just purchased a new trailerable cover</p>

for it. I even just filled the tank with ethanol free 93-octane fuel. I'm probably forgetting a lot. If you're interested you must include the words eighty-eight chris craft to get a response due to spammers. I know it's the wrong time of the year to sell a boat and I could get more for it this spring which is why I priced it where it is. It is well worth the money. Chris craft builds the very best boats around and this one is better than new.

**Model: 1988 260**  
**Location: Kingston, NY**  
**Asking Price: \$4,500**

Boat Hull is pretty clean, Imron paint two years prior to me buying her in 2013 (per previous owner), set up for SBC twins and alpha drives, off- color repaint spot, stbd side above rub rail. DOES NOT INCLUDE ENGINES, but includes drives, bennet tabs, all cables, rigging and harnesses in place. Has drop down bolsters with adjustable headrests, but the upholstery is SHOT. the top edges are all split from sun and exposure ( prior to me owning it), no back seat and no sunpad cushions. Cabin cushions are intact and upholstery is good. Through-hull exhaust and integral swim platform. Chris Craft also puts the HIN on the hull itself so you can run it with the platform removed. Includes Boatmaster aluminum double axel trailer, needs new brakes, tires good, 6 lug wheels. I'm open to offers and possible trades (work van?) (big Blocks?). She needs some work but I also restore these and i know what a great boat she will be again, i just happen to own several Stingers and i need to let one or two go.
