

## Welcome to the July, 2014 Newsletter!

Hope the July 4<sup>th</sup> weekend was a great boating weekend for everyone!

This past month saw an uptick in users visiting the website. The registry is now up to 683 Stingers as 3 more Stingers were added to the registry.

One of the Stingers that came back up on the market is the following 1983 Stinger 390: <http://chriscraftstingers.com/gallerypage.php?gallerydir=St%20Charles%20390>. This boat is a personal favorite of mine because it was the first 390 I had ever seen. It was located in the greater Chicago area for a while. One day, while driving down the road I came upon this boat and stopped to take pictures. That was back in 2011. The boat disappeared for a while only to show up this month for sale in Minnesota. Great to see it in pretty decent shape.

On a personal note, I've slowly started work on my 1984 312. I'm in the process of re-fabricating the teak cockpit floor. I've also ordered and received new Stinger 312 decals for the boat, and had registration number decals created that use the same font and style as original 312 decals. For next month's newsletter, I plan on writing up how I had the decals created.

Until next month,  
Han

## Fittipaldi Stingers

Chris-Craft produced a couple of "limited" edition series of the Stingers during the model's lifetime. One of the more interesting limited edition series was the Fittipaldi Stingers offered from 1987 to 1989.

The story of the Fittipaldi models starts in 1986 when Emmerson Fittipaldi approached Chris-Craft about doing a limited edition Stinger. Emmerson Fittipaldi was a renowned race car driver and two-time Formula 1 world champion. In addition he raced, he raced in IndyCars' CART series winning the championship in 1989.

In 1986, Emmerson brought his ideas for a limited edition Stinger to Dale Murray, CEO of Chris-Craft. From their collaboration came a Fittipaldi Stinger based on the existing Stinger 312. The Fittipaldi Stinger was basically a 312 that had been customized and upgraded to match the colors of Fittipaldi's racing team, the Marlboro/Patrick racing team. The boat featured a striking red color scheme, black dashboard, special emblems and a leatherette steering wheel.

The first Fittipaldi model came out in 1987 based on the 312 Stinger. A second Fittipaldi model came out in 1989 based on the 334 Stinger. This second model is, of course, the

rarer version of Fittipaldi.

But just how rare were the Fittipaldis? I recently ran across an article in the July, 1987 issue of Motor Boating & Sailing magazine. According to the magazine, Chris-Craft intended to only produce 20 Fittipaldis. This original run was sold out a few days after its debut at the Miami International Boat Show. Because of the high demand, the magazine states that Chris-Craft was considering producing a second run of 20 Fittipaldis. Was the second run of Fittipaldis those that were based on the 334 Stingers?

One place to look for the answer is to check the chriscraftstingers.com registry. Of the known Fittipaldis still in existence, there are 22 based on the 312 Stinger and 2 based on the 334 Stinger. From that, I'd venture to guess that there may have been two production runs of 20 Fittipaldis based on the 312s, and one run of unknown quantity based on the 334. So three runs total of the Fittipaldis. From this, I'd venture to guess that perhaps 50-60 Fittipaldis were actually produced.

Regardless of how many Fittipaldis were built, they are striking with their all red paint schemes. I have seen one in person and it was impressive. An interesting special edition to say the least!

## Stingers for Sale

Below is a list of Stingers that have come up for sale during the previous month. The information for each boat in this section accompanied the owner's original advertisement. If you are interested in one of the boats for sale, and need more information, please contact me at [ccstinger@gmail.com](mailto:ccstinger@gmail.com).

Model: 1979 Excalibur 310  
Location: Buffalo, NY  
Asking Price: \$7,500

I HAVE THE BARE HULL WITH TRAILER TRI AXEL AND NEW INTERIOR STILL HAS FOUNTAIN WING ON IT ASKING 7500.

Model: 1982 312  
Location: Destin, FL  
Asking Price: \$9,500

This is a classic example of Murray Boat (aka Chris Craft) 80's version of the sport 'cigarette'. This boat is all original. . .twin Mercruiser 300HP (454 cid) V8's, with pre TRS outdrives that are known to be all but bulletproof, velvet drive transmission (still goes in an out of gear like butter) and all original instrument panel, original cleaver props. Teak is in excellent condition. Does not have through hull exhaust so no waking the world when you cruise, can hear the whine of those big V-8's instead. . . a beautiful noise for those that appreciate a big blocks in sync. No serious dings or cracks, paint is in good condition. Engines had a partial top end overhaul in 2010; new risers, alternators, seawater pumps, refreshed oil pan's, refurbished cooling plumbing and new water distribution manifold plus NEW transom. Now for the 'others', last time the boat ran was in 2010 during the poker run and haven't had it in the waters since. Port engine has a outdrive lift leak. Stbd engine has an electrical problem that needs troubleshooting. Engines ran fine for the poker run, electrical issue is causing it not to crank. Trailer is in fair condition goes with boat in sale. Original Chris Craft emblems are mostly in good shape, some have corrosion. Interior flooring is new with rebuilt steps. Original interior other than that. Overall this boat is sound, will need some work, but if you appreciate a classic it is a labor of love. Engines are completely original and ran smooth in 2010. Selling because I dont' have a truck anymore and no time to work on it anymore, this is a classic boat and hard to find one in overall this good condition. If I were to prioritize work to get on the water, troubleshoot electrical issue on stb engine (I have pics of where I think the problem is), fix port engine trim, tune up and carb rebuild. . .start and push the throttles forward! Additional photo's for serious inquiries, I have tons of pics that highlight every inch of the boat. Price is reasonable for such a rare find!

**Model: 1982 312**  
**Location: Monroe, MI**  
**Asking Price: \$13,500**

1982 312 Chris Craft Stinger, twin 454's 330hp each, trs drives. Boat's in decent shape, we put about 4K in the engines in 2011, all new gaskets, hardware, cast aluminum headers, exhaust tips, valve job. Gages are liquid filled about 5 years old. Trailer is aluminum I-Beam, all stainless hardware and disc brakes. The main problem is the gas tank developed a slow leak and needs to be repaired. It's a 150 gallon under the deck tank. Distributors have pertronix electronic ignitions installed.

**Model: 1987 390**  
**Location: Hilton Head Island, SC**  
**Asking Price: \$89,500**

1987 Chris Craft Stinger 42ft. Mercruiser twin 496 engines, Myco trailer, deck awning, head, 3 batteries and fiberglass hull. We purchased the boat as a hull then totally restored it about 10 years ago. About 6 years ago we installed two new 496 magnum merc cruiser engines with currently about 200 miles. We rewired the entire boat about 3 years ago. This season we replaced the manifolds So the boat has been maintained and is in good working order I would characterize the finishes of the boat as "worn around the edges" but as hinges and snaps corrode we replace them The boat has a working head & shower Galley/ microwave/ref/sink TV stereo/cd/sat system/ ipod dock deck compass GPS

**Model: 1988 202**  
**Location: Rochester, NY**  
**Asking Price: \$8,000**

I have a super rare 88' chris craft stinger 202 for sale. It has 165 hours on the hull. This boat is like brand new. I literally just finished it. This is the coolest fiberglass speed boat that Chris Craft ever made and was made for the Miami Vice tv series. They were built in very limited quantities and there are only a handful of these left. There is a website dedicated to them, I know of no other boats that have a cult following. I built this one to be better than it was originally. It is an attention grabber. I get compliments on it wherever I am and have had numerous offers on it even before I restored it. I'm selling it because I'm getting married and need the money. I just put well over \$7500 into it this summer alone and have well over 12K into it total. I had planned on using it but sadly it needs to go. Weddings are insanely expensive and I'm finding out the hard way. I replaced the motor and outdrive. It has an OMC 4.3L v-6 and an OMC cobra outdrive. Next, I gutted the boat completely and installed new marine ply, fiberglass, carpet, custom built seats and engine cover and had everything professionally upholstered. I installed a new GT steering wheel, a Sony marine cd/mp3/satellite radio which sounds awesome, a new bilge pump, new fuel lines, new aluminum swivel/slider/adjustable height seat posts and new Tracker style folding seats. The interior work cost over \$4K alone but was well worth it. It came out awesome. I had a 4bbl. Rochester carb installed which brings the HP up to 205 and will do over 60MPH. I had the pin striping re-done on the boat and matching Shorelandr trailer. I replaced the tires, lights, and started to strip and repaint the entire trailer. It also has a new deep cycle battery. There are 2 swim platforms molded into the stern that have teak foot boards and they were also refinished and look great. I also just purchased a new trailerable cover for it. I even just filled the tank with ethanol free 93 octane fuel. I'm probably forgetting a lot. If you're interested you must include the words eighty-eight chris craft to get a response due to spammers. I know it's the wrong time of the year to sell a boat and I could get more for it this spring which is why I priced it where it is. It is well worth the money. Chris craft builds the very best boats around and this one is better than new.

**Model: 1988 260**  
**Location: Rocky Mount, MO**  
**Asking Price: \$11,500**

This is a 1988 Chris Craft Stinger 260. It has twin 260hp 350 cid small blocks with mercruiser Alpha ones. The boat was painted by Vincent custom paint several years back and has a custom fairing. The boat runs and drives great. It has a great sounding stereo with iPod controls wired and wireless remote and 10" sub. The interior is pretty decent with most of it having been redone the interior cabin needs finished. Comes with a 10,000 lb Fiber steel lift. I have owned this boat since 1997 and used it a lot. it is far from perfect but is in ready to use condition. \$11,500 or may trade for muscle car, UTV, diesel truck.

**Model: 1988 260**  
**Location: Virginia Beach, VA**  
**Asking Price: \$10,500**

88 Chris Craft Stinger with 2- 330hpr 350 V8's We have redone all the exterior upholstery and 90% of the interior. New stereo and VHS Port engine has 50 hrs stbd has 300 hrs Remaining issues Stbd engine has a leaking exhaust manifold that needs to be addressed. I am connecting the stereo and VHS before it sells. I have also been reinforcing the swim deck. This boat is well worth the money and leaves plenty of room to make money on this boat if that is your choice. I have all documentation from new and from the original owner. Worth the time to look and see if it's your ticket to the Prop Stop.

**Model: 1986 222**  
**Location: Hahira, GA**  
**Asking Price: \$7,000**

I have a boat that I need to get rid of. I hardly ever use it and would like someone to enjoy it. I originally bought the boat back in 2005 and purchased just the hull for \$1k. I rebuilt the boat from front to back from bottom to top. The boat was repainted and graphics were painted on. The boat has a 5.7l mercruiser with a Alpha One Gen II outdrive. The motor came with a point distributor and a coil pack, that was taken out 2 months ago and was replaced with a MSD High Marine Distributor along with new wires and plugs with a Holly Marine Carb. Exhaust is 4" with flappers. Gauges or Livorsi (oil, temp, battery, volt, rpm.) Front seat are stand up bolsters with a actuator to move back and forth that come out of a Donzi and was shipped from Kansas. Everything that I have for the boat will be included and also have a few videos on my phone from this summer if interested. If you have any questions in regards to the boat, feel free to email.

This is a rare find. This model was only manufactured for two years as an entry level offshore cigarette style racer. A total of 295 of these were ever produced and only 47 are in registry from what I have read. This boat is listed in the Chris Craft registry under its original name "Three's Company". They originally came equipped with a supercharged V-6 but most have been changed to V-8 engines as has this one. It has a Mercruiser 350 Magnum with a high rise edelbrock manifold and edelbrock quadrajet carb. The four inch dual thru hull exhaust has been fitted with high flow silencers. It Has a stainless prop, and was recently serviced including the impeller. The boat is all original including the interior. It has been well maintained along the way and is in very good condition regardless of its age. The trailer is original to the boat and has a plaque stating it was made for the boat. I have completely rebuilt the trailer from the ground up. The only original part of the trailer is the actual frame. Everything else on it is brand new. This boat will run 65mph. It is fast, loud, and a blast to drive. It handles all waters very well and sticks like glue in turns. I'm selling it because I want something more practical that you can take more than just two people with you. As you see in the pictures, you sit three abreast in the cockpit and there isn't room for much else. It does have a small cuddy under the bow but it isn't very user

friendly. This vessel is a go out and tear up some water then put it away kind of boat. It's easily towed by a small SUV since the boat itself only weighs 2600 lbs.

**Asking Price: \$12,000**

Up for sale is a 1986 Chris Craft Stinger. It's 26' in length with twin SBC 350's, completely rebuilt, that push around 300 hp each. Alpha 1 out drives with new 21 pitch props. The cockpit upholstery has been completely redone and has a new stereo including, speakers, amp and 2 12 in kicker subwoofers. I have over \$15k invested. Everything was rebuilt last year. Less than 20 hrs on all the new parts. Some of the new parts the boat has are: -Holley marine carbs -Holley mechanical fuel pump -Edelbrock cam kits -Edelbrock high rise intakes -double roller timing chains -bilge pump w/ automatic float This boat really gets moving across the water. Has no problems. Comes with life jackets. Ready to drop in the water. The reason I'm selling it is to move up to a cabin cruiser Asking \$12,000 with the aluminum trailer Asking \$10,000 without the trailer NO dreamers NO trades
