

Chris Craft Stingers

WWW.CHRISCRAFTSTINGERS.COM Newsletter, May 2011

Welcome to the May, 2011 newsletter!

The website continues to grow – new Stingers have been added to the registry, the parts page has new items for sale, and the history section has been updated. There are now approximately 306 Stingers in the registry.

A new feature is being rolled out to the website – a comments section will be added to the gallery page for each Stinger. This allows visitors to comment on and discuss specific boats. It's my hope that the comments section will be used to discuss the history of each boat.

New items have been added to the parts page. These new items include trim pieces, gauges, and apparel. I'm always on the lookout for Stinger parts, so if you are looking for any, or have any for sale, please contact me.

I've decided to expand the content of the newsletter. Each month I plan on writing one article – this month's article is titled "Where Was Your Stinger Built?". This article will be the first in a series that go into details I've learned in researching hull numbers for Stingers. I hope you enjoy these articles.

As always, if you have any information on a Stinger, or are looking to buy a boat or parts, please feel free to contact me at ccstinger@gmail.com. Han.

Where Was Your Stinger Built?

As many of you may know, when I add a new Stinger to the registry, I try and get the hull number for the boat. In addition to identifying the boat, the hull number encodes information about the boat such as the model number, year the boat was built, and the location where the boat was manufactured.

The hull number for a boat is a unique number that identifies the boat, much like the VIN number is used for identifying cars. The hull number for a boat will be stamped on the upper starboard side of the outside of the transom. The hull number is a combination of 12 letters and numbers. The first two characters in the hull number are letters and identify the manufacturer of the boat. For Stingers, these two letters are CC or UN – manufacturer codes for Chris Craft. The third character is a letter which identifies which Chris Craft plant the boat was built at. Chris Craft had many plants in the US, and abroad. The codes for the plants where Stingers were built include B = Bradenton (Sarasota), FL, T = Gallipolis, OH, V = Goshen, IN, F = Bellingham, WA, H = Holland, MI.

For the hull numbers I've collected, I've been able to tell where various Stinger models were manufactured. The list is as follows:

- 202 - Goshen, IN
- 222 - Bradenton, FL
- 230 – Bradenton, FL
- 260 – Bradenton, FL and Goshen, IN

- 311 – Bradenton, FL
- 312 – Bradenton, FL
- 313 – Bradenton, FL
- 314 – Bradenton, FL
- 334 – Holland, MI
- 375 – Bellingham, WA
- 390 – Bradenton, FL and Gallipolis, OH
- 415 – Bradenton, FL and Bellingham, WA

The hull number analysis tells us a little about Chris Craft in the 1980s. By this time, the Algonac plant (where Chris Craft was founded) was no longer building boats. Another of the historic Chris Craft plants in Holland, MI was used little. The Bradenton, FL plant was where the majority of the Stingers were built, however, production of the later models seemed to be moving to the Bellingham, WA plant.

One footnote to this analysis – I visited a 1984 Chris Craft Stinger 260 whose hull number started with GR4. I was stumped for a while until someone mentioned to me that Chris Craft licensed production of the Stingers to the Canadian company Grew Boats – a light bulb went off in my head when I realized that GR must be the company code for Grew boats. So some small fraction of Stingers were actually produced by Grew Boats – another gap in the history of the Stingers I need to research!

In next month's newsletter, I will tell you how to determine the model number of your Stinger from the hull number.

Stingers for Sale

If you are interested in one of the boats for sale, and need more information, please contact me at ccstinger@gmail.com.

Model: 1988? 312 Fittipaldi
Location: Gainesville, GA
Asking Price: \$39,995

TOTALLY UPDATED AND WELL MAINTAINED 39 FOOT CHRIS CRAFT STINGER. THIS WAS THE BOAT USED ON THE ORIGINAL MIAMI VICE TV SHOW. IT IS MECHANICALLY WELL MAINTAINED AND HAS HAD NUMEROUS UPGRADES THROUGHOUT THE YEARS. BOTH THE MAIN ENGINES WERE BROUGHT TO A TOP ENGINE BUILDING SHOP IN ATLANTA AND REBUILT AND DYNO TESTED TO 520 HP. ALL THE BEST PARTS WERE USED, BUT CAREFUL NOT TO GO TOO FAR ON THE HORSEPOWER SO THAT THE ENGINES WOULD REMAIN VERY STRONG YET VERY RELIABLE. EXHAUST SYSTEM WAS UPGRADED TO STAINLESS STEEL EXHAUST. THE ENGINES ARE SO CLEAN YOU COULD EAT OFF THEM. THE BOAT HAS AN ONAN GENERATOR, AIR CONDITIONING, HEAT, FRESH WATER TANKS, HALON FIRE SYSTEM, BUILT IN WINE COOLER, SEPARATE COMPARTMENT FOR SINK AND TOILET, UPGRADED STEREO, NEW SNAP IN CARPET, NEW BOAT COVER, NEW PAINT SCHEME. COMPARABLE BOAT TODAY WOULD COST \$300,000. BOAT IS KEPT UNDER COVERED BOAT DOCK. FOR ADDITIONAL INFORMATION, PLEASE CALL 678-779-6971.

Model: 1989 313
Location: Naples, FL
Asking Price: Ebay Auction

I PURCHASED THIS 1989 CHRIS CRAFT 313 STINGER BRAND NEW FROM THE FACTORY AND PICKED THE BOAT UP PERSONALLY IN BRANDON, FL WHERE THEY ARE MANUFACTURED. THE BOAT AND BOTH OUTBOARDS HAVE LESS THAN 200 ORIGINAL HOURS ON THEM!!! IT IS A TRUE TIME CAPSOLE!!! IT HAS 2 ORIGINAL JOHNSON 300HP OUTBOARDS WHICH COST ME \$20,000 A PIECE. NEW THIS BOAT COST ME \$147,000 DOLLARS WITH THE ENGINES. THE HULL HAS TWO LARGE FACTORY BAITWELLS WITH AERATOR SYSTEMS IN BOTH. THE ENGINE BRACKET IS A ARMSTRONG STAINLESS STEEL BRACKET, THE BEST AVAILABLE AT THE TIME. THE BOAT HAS ALWAYS HAD A COVER ON IT AND ALSO WAS MAINLY STORED IN MY AIR-CONDITIONED WAREHOUSE WHEN I WASN'T USING IT! LIKE I SAID IT HAS LESS THAN 200 ORIGINAL HOURS ON THE HULL AND BOTH ENGINES. THEY ENGINES ARE ALSO COUNTER-ROTATION WITH STAINLESS STEEL PROPS. THE BOAT HAS A FRONT ENCLOSED CABIN, WHERE 3 PEOPLE CAN SLEEP. EVERYTHING IS ORIGINAL AND THE BOAT HAS NOT BEEN IN THE WATER FOR OVER 6 YEARS PROBABLY. I NEVER USED IT AFTER I BOUGHT IT AND IT IS IN REMARKABLE CONDITION. IT WILL NEED 2 NEW BATTERIES AND PROBABLY SOME NEW FUEL AS WELL. BUT THE ENGINES RAN WELL LAST TIME I USED IT AND HAVE NO MECHANICAL ISSUES AT ALL. I DO HAVE A MECHANIC WHO STARTED THE ENGINES FOR ME PERIODICALLY WHILE IN MY STORAGE WAREHOUSE. THIS BOAT IS PERFECT FOR SOMEONE WHO WANTS A SUPERB BOAT FOR A FAIR PRICE, BUT SHOULD HAVE SOME MECHANICAL KNOWLEDGE AS IM SURE, WHOEVER BUYS IT WILL HAVE TO DO SOME MINOR TINKERING SINCE IT HASN'T BEEN USED IN 6 YEARS. AGAIN, UNDER 200 ORIGINAL HOURS, SHOWN ON DUAL ENGINE TIMERS WHICH ARE ORIGINAL. THIS STINGER IS A AWESOME OFFSHORE CENTER CONSOLE FISHING BOAT THAT WILL GET YOU OFFSHORE VERY FAST AS IT WILL RUN BETWEEN 75-80 MPH. GOOD LUCK ON YOUR BIDDING! I ALSO HAVE THE CLEAN ORIGINAL TITLE IN HAND.

Model: 1986 260
Location: Laveen, AZ
Asking Price: \$6,500

1986 Chris Craft Stinger 260 26 feet ocean boat, twin 350 Chevrolets. Radar arch, remote spotlight, drop down bolster seats, porta potty, sink, icebox/fridge. Has been sitting for a few years. Needs paint and other work. Bought for a project 2 years ago and did not finish. Never had it running or in the water. Hull is great. Good interior-needs cleaned. Shorelander trailer included. \$6500 OBO Call or Text Jeff at 602-909-1713

32' Chris Craft Stinger, twin 370hp mercruiser engines, quad exhaust, huge sundeck, bimini top, am/fm/cd depth finder. Classic "Miami Vice" offshore boat only been in freshwater. Well maintained, very clean, triple axle trailer. NADA is \$22,750 WITHOUT the trailer! Building house, must sell. 208 818 8392

Model: 1987 202
Location: Clinton Township, MI
Asking Price: \$5,995

I am selling my 1987 Chris Craft Stinger 202. Great boat, but five years ago my father never winterized the boat properly and cracked the block on the engine. Manifolds are good, Hull is good, Outdrive is good. I was so upset that I put it away for five years and never looked at it. Drop a Long block in it and your good to go. The biggest shame is that the boat only has 155 hrs on it. Thats basically new. Would make a great boat for someone willing to drop a new or used motor in it. Boat also comes with trailer. I have taken the boat out of storage and its available for viewing in Mississauga.
