

Welcome to the August, 2015 Newsletter!

Welcome to the August Newsletter.

Boating season is in full swing. As such, I've seen traffic to the website increase. There were only two new Stingers added to the registry in July, bringing the total number to 737. Looks like the number of Stingers will be under 800 for a while, but I still continue to look.

Until next month,
Han

Tidbits of History

The Stingers themselves are like time capsules in a sense. By 2019, all Stingers will be over 30 years old. Their styling, accessories, and colors all hark back to the decade of the 1980s. The company that produced them only survives in name only. The moulds that produced the hulls are seemingly long gone, and any data such as blueprints and build information is hard to come by. So when I find something in my Stinger that relates back to the original build of the boat, I get excited.

In a previous newsletter, I document

ed green stickers that can be found on the back side of the helm switch panels. Those green stickers include a build date of the panel. I've seen the green stickers on panels from a few boats – a nice little find – and they help determine the exact build date of the boat.

This past month, I worked on replacing one of the chocks at the bow of my 1984 312. In order to do this, I needed to access the screws under the deck. Those screws, however, sit in front of the mirrored panel located in the front of the cabin. I proceeded to remove the panel – and found a plywood bulkhead that had been glassed in to provide strength.

While I was disappointed that the plywood panel made it difficult to get to the underside of the deck, I found markings on the panel that gave just a little bit more info on how my Stinger was built.

On the bulkhead, in faint handwriting made by a pencil, it says:

312 – 260
12

From the writing, I surmise that these bulkheads were cut for use in both the 312s and 260s at the time. It makes sense as other parts were shared between the models. As for the 12? Not sure what the 12 stands for – maybe it was a part or cut number.

While the info about sharing parts between models is interesting, what I really find interesting is the handwriting. I wonder who wrote it, if that person is still alive and has stories about building the Stingers. I wonder what the day was like when it was written, and how the part was cut and installed in the boat. As time goes by, more info regarding the building of the Stingers will be lost. But I'm determined to find out as much as I can.

Stingers for Sale

Below is a list of Stingers that have come up for sale during the previous month. The information for each boat in this section accompanied the owner's original advertisement. If you are interested in one of the boats please contact me at ccstinger@gmail.com.

Model: 1982 260
Location: Waukegan, IL
Asking Price: \$21,000

For Sale: DIXIE NORMOUS

1982 Chris Craft 260 Stinger Built in 1982 in Bradenton, Florida I purchased this Boat in June 2009. This boat had a scratch and/or a ding here and there yet ran and drove quite well. I'm in my mid 70's and have been a boat person all my life, and I might add that I operated a full service boat company for several years. I'm quite capable of handling any mechanical, wood or fiberglass challenges. I'm retired and I have time on my hands, so I applied myself and brought this boat up to my standards. I also have many friends in the boat business so there's very little I or they can't handle. This boat has twin 260HP, 350cu/in engines with Alpha One outdrives. It has a Teak swim platform as well as a 3 blade stainless props. I repaired the dings and scratches on the hull, prepped then painted the hull. I used the original colors for the base cote then clear coated it. Over the years I made several changes (they're listed below) because I had the ability, time and finances. I've always used Mobil 1 15/50 in the engines along with Merc oil filters. All the parts and upgrades I have used on this boat were from Mercruiser. At present the exterior of this boat is as new as are all the cushions and seats. I never got to the cabin which could use some updating. Upgrades and Enhancements that I have done to this boat. Paint entire exterior using original colors. 2010 Recovered and replaced the foam in all cushions and seats 2010 Installed remote oil filter up grade (for easy access.) 2010 Installed new exhaust manifolds & risers (center type risers.) 2011 Installed through the transom exhaust system (using 4" polished stainless) 2011 Complete ignition upgrade to Thunderbolt IV 2011 All new shift and throttle cables 2012 New Quicksilver controls 2012 Install onboard marine battery charger 2013 Install new trim and tilt sensors 2013 Complete Drive service on both drives 2014 Rebuild both Carbs. 2014 Installed new pedestals on front seats Added batteries (boat now has 4 batteries.) Installed battery quick disconnect switches Installed crossover switches for emergency starting

Model: 1982 312
Location: Destin, FL
Asking Price: \$7,500

This is a classic example of Murray Boat (aka Chris Craft) 80's version of the sport 'cigarette'. This boat is all original. . .twin Mercruiser 300HP (454 cid) V8's, with pre TRS outdrives that are known to be all but bulletproof, velvet drive transmission (still goes in and out of gear like butter) and all original instrument panel, original cleaver props. Teak is in excellent condition. Does not have through hull exhaust so no waking the world when you cruise, can hear the whine of those big V-8's instead. . .a beautiful noise for those that appreciate a big blocks in sync. No serious dings or cracks, paint is in good condition. Engines had a partial top end overhaul in 2010; new risers, alternators, seawater pumps, refreshed oil pan's, refurbished cooling plumbing and new water distribution manifold plus NEW transom. Now for the 'others', last time the boat ran was in 2010 during the poker run and haven't had it in the waters since. Port engine has a outdrive lift leak. Stbd engine has an electrical problem that needs troubleshooting. Engines ran fine for the poker run, electrical issue is causing it not to crank. Trailer is in fair condition goes with boat in sale. Original Chris Craft emblems are mostly in good shape, some have corrosion. Interior flooring is new with rebuilt steps. Original interior other than that. Overall this boat is sound, will need some work, but if you appreciate a classic it is a labor of love. Engines are completely original and ran smooth in 2010. Selling because I don't have a truck anymore and no time to work on it anymore, this is a classic boat and hard to find one in overall this good condition. If I were to prioritize work to get on the water, troubleshoot electrical issue on stb engine (I have pics of

where I think the problem is), fix port engine trim, tune up and carb rebuild. . .start and push the throttles forward! Additional photo's for serious inquiries, I have tons of pics that highlight every inch of the boat. Price is reasonable for such a rare find!

Model: 1982 312
Location: Monroe, MI
Asking Price: \$13,500

1982 312 Chris Craft Stinger, twin 454's 330hp each, trs drives. Boat's in decent shape, we put about 4K in the engines in 2011, all new gaskets, hardware, cast aluminum headers, exhaust tips, valve job. Gages are liquid filled about 5 years old. Trailer is aluminum I-Beam, all stainless hardware and disc brakes. The main problem is the gas tank developed a slow leak and needs to be repaired. It's a 150 gallon under the deck tank. Distributors have Pertronix electronic ignitions installed.

Model: 1984 390
Location: La Mirada, CA
Asking Price: \$55,000

One of the finest 390s in existence, particularly in the rare beige/brown/yellow/orange color scheme. All original engines and out-drives; right down to the clever props! Also original hardware, color, stereo, refrigerator, gauges and graphics. Still tops out at 60mph with light load. Engines recently rebuilt.

Model: 1985 260
Location: Knoxville, TN
Asking Price: \$18,995

Here is your chance to own one of the most legendary boats in the history of offshore. This is the 26' version of the Chris Craft Stinger. This particular model is the 260 SL limited. This features upgraded graphics and interior treatments as well as the iconic radar arch. This boat was repowered with completely rebuilt 1994 Mercruiser 5.7 (350) EFI engines in 2005. Get the look and performance of the classic twin engine V-8 offshore boat with the efficiency and reliability of modern electronic fuel injection (throttle body fuel Injection for you techies). Sorry, no accurate reading on the hour meters, but again the engines were completely (Crank, pistons, heads, etc...) rebuilt in 2005. This boat fires up every time, gives great performance, with a smooth ride that most new boats can't match.

Model: 1985 312
Location: Edmonds, WA
Asking Price: \$29,500

Stinger 312 for sale with a brand new triple axle aluminum trailer, Merlin 540ci engines, TRS drives and new upholstery a few years ago.

Classic boat in great shape!

Model: 1985 390
Location: St Clair Shores, MI
Asking Price: \$27,500

1985 Chris Craft Stinger 39'. This is the original Miami Vice boat. 2 - 465hp 502ci Mercruiser engines with Gil Exhaust (these were bought as brand new dropins from Mercruiser) approximately 400 hours on both TRS Drives Hydraulic trim tabs 4 Blade stainless props (A perfectly matched prop for the boat) cruise 35 top speed 56-60 Drives were gone through last season Interior professionally redone at the beginning of this season Brand new 3m scotchprint vinyl wrap done at the beginning of the season Brand new sound system installed at the beginning of this season (not cheap junk either) Comes with a boat slip at emerald city marina for the remainder of the season The boat is currently in the water and used every weekend. Test rides available for serious buyers. This is a turn key boat that needs nothing to use daily. The boat cuts the water and is super smooth even when the water is choppy. There are no problems with getting the boat on plane either, and is one of the best smoothest offshores I've ever been on.

Model: 1986 222
Location: Port Carling, ON, Canada

Model: 1986 260
Location: Knoxville, TN
Asking Price: \$9,750

This is a rock-solid all fiberglass 1986 26' Chris Craft Stinger LTD with a great trailer! It is a bit of a project, but not an insurmountable one. This boat features twin 260 hp Mercruisers with outdrives, drop down bolsters, power trim tabs, V-berths, a radar arch (not installed in the pictures but I have it), and a nice built-in swim platform. The boat was on a lift and swamped in a storm a few years ago, so the engines were removed and completely rebuilt by a professional mechanic. It has all new exhaust manifolds. The engines and drives now need to be reinstalled, but the motors have zero hours on them. The upholstery is original and complete, but is weathered. The carpet in the interior needs to be replaced. The hull needs to be polished, but, like I said, it is very solid with no soft spots in the flooring at all. The trailer is a galvanized Wesco tandem axle with brakes on both axles. This trailer is heavy duty and makes other boat trailers look like toys! The trailer itself is

worth at least \$5000. I know, because I looked for one endlessly until I found this one! This is great looking, solid boat that is the perfect size for our area lakes. With a little work you can have something special for a bargain price. It has been stored inside my garage for several years which is why it is so dusty in the pictures. It is now stored under cover on its trailer. I will consider all trades, especially for old cars and/or motorcycles or later model heavy-duty pickups or vans.

Model: 1986 312
Location: Indianapolis, IN

Estate Sale -My late father's pride and joy is now for sale. This 1987 31.5' Chris Craft Scorpion is being sold along with the 3 axle Load Rite trailer. I enjoyed many years on the Potomac River with my Dad and although his "Great Escape V" had been the envy of many it has now sat winterized, garage kept and in recent years stored at my residence. I am not a boater by nature and it is time to let that piece of my Dad and his life go while holding onto the memories. This was a Documented vessel "Certificate of Documentation" and after his passing in March 2011 was not renewed and expired July 31, 2011. The Vessel Name: The Great Escape V, Length: 31.5 Breadth: 8.0 Depth: 5.5 The Load Rite trailer is a 1989 3 axles with a Gross Weight: 15,600 This 31.5' Chris Craft Scorpion Sport Cruiser with radar arch and canvas cock pit cover has been kept out of the water for several years now, the exterior paint is sun faded but in excellent condition. The interior is in great condition and can be brought back to excellent condition with a little TLC and elbow grease. This sale includes two 7.4 cubic inch 454 MerCruiser motors, 1 has a blown head gasket. The Load Rite trailer has cradled this boat for several years, we are now looking for a boating enthusiast to bring this duo back to the waterways where they belong.

1987 Chris Craft Stinger 42ft. Mercruiser twin 496 engines, Myco trailer, deck awning, head, 3 batteries and fiberglass hull. We purchased the boat as a hull then totally restored it about 10 years ago. About 6 years ago we installed two new 496 magnum merc cruiser engines with currently about 200 miles. We rewired the entire boat about 3 years ago. This season we replaced the manifolds So the boat has been maintained and is in good working order I would characterize the finishes of the boat as "worn around the edges" but as hinges and snaps corrode we replace them The boat has a working head & shower Galley/ microwave/ref/sink TV stereo/cd/sat system/ ipod dock deck compass GPS

Model: 1988 202
Location: Rochester, NY
Asking Price: \$8,000

I have a super rare 88' chris craft stinger 202 for sale. It has 165 hours on the hull. This boat is like brand new. I literally just finished it. This is the coolest fiberglass speed boat that Chris Craft ever made and was made for the Miami Vice tv series. They were built in very limited quantities and there are only a handful of these left. There is a website dedicated to them, I know of no other boats that have a cult following. I built this one to be better than it was originally. It is an attention grabber. I get compliments on it wherever I am and have had numerous offers on it even before I restored it. I'm selling it because I'm getting married and need the money. I just put well over \$7500 into it this summer alone and have well over 12K into it total. I had planned on using it but sadly it needs to go. Weddings are insanely expensive and I'm finding out the hard way. I replaced the motor and outdrive. It has an OMC 4.3L v-6 and an OMC cobra outdrive. Next, I gutted the boat completely and installed new marine ply, fiberglass, carpet, custom built seats and engine cover and had everything professionally upholstered. I installed a new GT steering wheel, a Sony marine cd/mp3/satellite radio which sounds awesome, a new bilge pump, new fuel lines, new aluminum swivel/slider/adjustable height seat posts and new Tracker style folding seats. The interior work cost over \$4K alone but was well worth it. It came out awesome. I had a 4bbl. Rochester carb installed which brings the HP up to 205 and will do over 60MPH. I had the pin striping re-done on the boat and matching Shorelandr trailer. I replaced the tires, lights, and started to strip and repaint the entire trailer. It also has a new deep cycle battery. There are 2 swim platforms molded into the stern that have teak foot boards and they were also refinished and look great. I also just purchased a new trailerable cover for it. I even just filled the tank with ethanol free 93 octane fuel. I'm probably forgetting a lot. If you're interested you must include the words eighty-eight chris craft to get a response due to spammers. I know it's the wrong time of the year to sell a boat and I could get more for it this spring

which is why I priced it where it is. It is well worth the money. Chris craft builds the very best boats around and this one is better than new.

Model: 1988 260
Location: Port Washington, WI
Asking Price: \$6,500

1988 Chris Craft Stinger Project If you like it fast and loud this is the project for you. 26.5 ft Chris Craft Stinger with all the parts to put this back together and get it running are included, except for one gimbal unit and a few small parts. Cockpit will need to be redone. The cabin is in fine shape. It has a swim platform and a radar arch. It does need some tlc and the bottom painted. Tandem axle trailer with surge brakes, can be towed anywhere. The 5.7 Mercruiser engines have been removed to replace the gimbals. Starboard 260 hp motor has been rebuilt three years ago and has less than two hours running time. The port 270 hp motor has been rebuilt a few years back with low hours on it. Both alpha drives with props are included. One gimbal has been purchased and another will be required. The steering system was recently been rebuilt with a replacement hydraulic steering cylinder and cable. A bimini top is also included. I have over \$13,000 in this project and have lost interest. This a bargain at \$6,500 Still in storage and will be out April 1

Model: 1988 260
Location: Kingston, NY
Asking Price: \$4,500

Boat Hull is pretty clean, Imron paint two years prior to me buying her in 2013 (per previous owner), set up for SBC twins and alpha drives, off- color repaint spot, stbd side above rub rail. DOES NOT INCLUDE ENGINES, but includes drives, bennet tabs, all cables, rigging and harnesses in place. has drop down bolsters with adjustable headrests, but the upholstery is SHOT. the top edges are all split from sun and exposure (prior to me owning it), no back seat and no sunpad cushions. cabin cushions are intact and upholstery is good. through-hull exhaust and integral swim platform. Chris Craft also puts the HIN on the hull itself so you can run it with the platform removed. Includes Boatmaster aluminum double axle trailer, needs new brakes, tires good, 6 lug wheels. I'm open to offers and possible trades (work van?) (big Blocks?). she needs some work but I also restore these and i know what a great boat she will be again, i just happen to own several Stingers and i need to let one or two go.

1988 Stinger 312 Fittipaldi Equipe. 34 foot bow to stern. Twin normally aspirated GEN V 502 HO's (Casting # 14096859) and Bravo Ones. I just had the port side Gimbal Ring replaced with OEM Merc parts and installed by a Merc certified shop, Dynamic Speed and Marine last summer. Both outdrives have new trim sensors, exhaust boots, seals, drive oil and paint. The out drives have not yet seen water since rebuild. I have the Survey and Sea trial paperwork when I bought it a year and a half ago. The rear seat has been re fitted. The mooring cover needs to be replaced but I still use the old one. The paint has had to many buff jobs with to much rubbing compounds so the clear coat is tough. aside of a couple chips she looks good and is sea worthy. 6 new tires and a new spare with baring buddies.

Model: 1984 390

Location: Bloomington, IL

Asking Price:

1984 Chris Craft 390 Stinger and triple axle trailer for sale. Twin 500 hp Chevy big blocks, Borg Warner transmissions and TRS outdrives. One pair of 21p Mercury Quicksilver props, and one pair of 23p Mercury Quicksilver props. Spare tire for the trailer. Includes two 20lb Danforth anchors, shore power cord, throwable flotation devices and life vests. This is the classic offshore boat as seen on Miami Vice, and the 390 Stingers are rapidly becoming collector's items. This boat's construction makes it one of the best rides on the water, smooth and stable at any speed in any open water condition. At 31 years of age, the boat is still wearing it's factory colors and vinyl, although as seen in the photos the vinyl / paint is ready for some updating. The flat surfaces of the boat's paint have faded, although the hull has survived well, with some fading in the usual areas. The boat has not seen the water in 10 years, instead sitting inside in a climate controlled storage facility. It ran and performed well when last used, but a series of life events forced me to store the boat rather than use it, and it now needs a little more time / TLC than I can afford to give it. Here's my evaluation of what would be needed: The motors were spun over frequently during storage, but not run. They will need carburetor cleaning and tuning, oil changed, etc. They were dyno'ed at 500 hp, have aluminum heads, hi rise intakes and Holley 750s. Trs outdrives were in excellent working order when last used, but I noticed stress cracks on the port outdrive, and I have removed it to be repaired. The repaired outdrive and any spare parts will be included with the auction. The skeg on the starboard has some pitting and wear commensurate with its age. The cockpit seating and sunpad vinyl will need to be redone in order to make this a daily user that shows well.(the vertical stuff is in good shape, horizontal surfaces are faded and ripped.) The interior upholstery was redone in 2000, and is still in great shape with no rips, stains or tears. The jump seats seats mid cabin are like new, the refrigerator worked well but the pump out head has long ago been replaced with a port-a-pottie. I absolutely will guarantee this boat to be seaworthy. There are no cracks or damage to the hull anywhere, it is as solid as any boat ever made. I laid on my back on a creeper to wash and wax the bottom of the hull (on many occasions), so I am quite comfortable saying that. The trailer is custom and has (3) 6000 lb axles with electric brakes. I am happy to answer any questions about the boat, and have a few more picture upon request. Delivery of the boat can be arranged at an additional fee outside of the auction price.
