Chris-Craft Sales Trend in the 1980s

Craft as well. The reason I have these numbers is that I'm trying to understand the history of Chris-Craft, especially during the 1980s.

Welcome to the December, 2015 Newsletter.

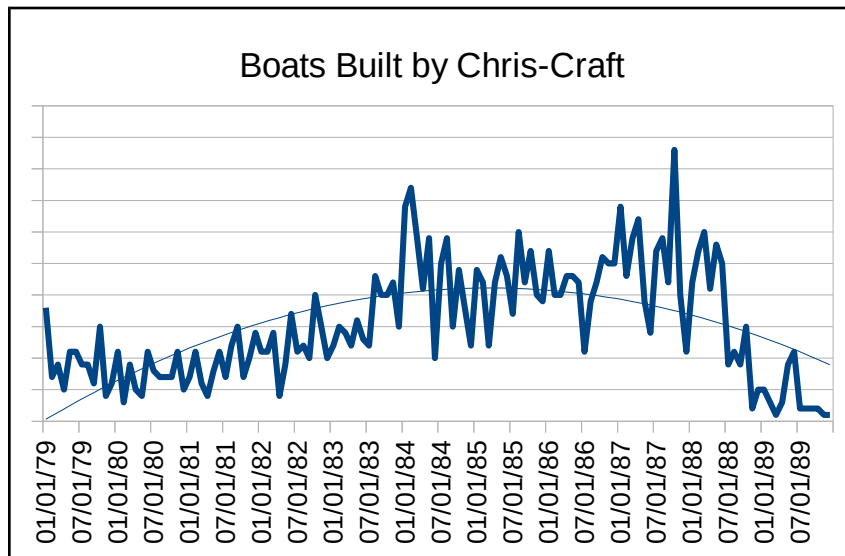

The end of the year is upon us, and a new one will shortly start. This past year has been an exciting one for me in terms of the website as more and more people have been visiting the site, new Stingers are added to the registry, and new information is

learned about these boats. I look forward to growing the website more in 2016.

There are now 758 Stingers in the registry – this is up 2 from the previous month.

For this month's article, I decided to try and see what a graph of the number of boats Chris-Craft built by month/year during the 1980s would look like. Note that for the article, I'm interested in the number of boats Chris-Craft built, including Stingers.

Happy Holidays to all!
Han

The 1980s was an exciting decade for Chris-Craft. Having turned Chris-Craft around in the late 1970s, Dick Genth bought the boat division outright from Chris-Craft Industries in 1981 with a group of investors. The new company, Murray Chris-Craft, started the decade off with increasing sales numbers, but by the end of the decade, Chris-Craft filed for bankruptcy and its assets were sold off to OMC.

In maintaining the website, I also maintain a list of Chris-Craft hull numbers. While some of these hull numbers are for Stingers, I have a large quantity of hull numbers for non-Stinger boats built by Chris-

As far as I'm aware, there are no official Chris-Craft production numbers to be found, so deducing them from hull numbers is the only way to figure out just how many boats Chris-Craft built during this time.

I have about 3,300 hull numbers in my database covering the time period from the 1970s until today. Of course, 3,300 hull numbers represents a very small percentage of the actual hull numbers for Chris-Craft. But, I was interested in the trend of the number of boats built by Chris-Craft. So, I created the graph you see on this page.

From the graph, you can see that there wasn't really a general downward trend in the boats Chris-Craft built in the 2nd half of the 1980s. In fact, in 1987, the last year before it's bankruptcy filing in 1988, the graph shows Chris-Craft producing the largest number of boats in the decade. When the

decline did start though, it was quick, taking about 6 months. This 6 month period represented a time when OMC took over – and it probably took them a while to restart production of Chris-Craft models.

The chart is interesting and provides a little insight in just how bad things got for Chris-Craft towards the end. Again, just a note, the data

displayed on the graph does not include all of the boats Chris-Craft built, just a sampling of them. As I gather more hull numbers, I will refine the graph.

Stingers for Sale

Below is a list of Stingers that have come up for sale during the previous month. The information for each boat in this section accompanied the owner's original advertisement. If you are interested in one of the boats please contact me at ccstinger@gmail.com.

Model: 1982 260
Location: Waukegan, IL
Asking Price: \$21,000

For Sale: DIXIE NORMOUS 1982 Chris Craft 260 Stinger Built in 1982 in Bradenton, Florida I purchased this Boat in June 2009. This boat had a scratch and/or a ding here and there yet ran and drove quite well. I'm in my mid 70's and have been a boat person all my life, and I might add that I operated a full service boat company for several years. I'm quite capable of handling any mechanical, wood or fiberglass challenges. I'm retired and I have time on my hands, so I applied myself and brought this boat up to my standards. I also have many friends in the boat business so there's very little I or they can't handle. This boat has twin 260HP, 350cu/in engines with Alpha One outdrives. It has a Teak swim platform as well as a 3 blade stainless props. I repaired the dings and scratches on the hull, prepped then painted the hull. I used the original colors for the base coat then clear coated it. Over the years I made several changes (they're listed below) because I had the ability, time and finances. I've always used Mobil 1 15/50 in the engines along with Merc oil filters. All the parts and upgrades I have used on this boat were from Mercruiser. At present the exterior of this boat is as new as are all the cushions and seats. I never got to the cabin which could use some updating. Upgrades and Enhancements that I have done to this boat. Paint entire exterior using original colors. 2010 Recovered and replaced the foam in all cushions and seats 2010 Installed remote oil filter up grade (for easy access.) 2010 Installed new exhaust manifolds & risers (center type risers.) 2011 Installed through the transom exhaust system (using 4" polished stainless) 2011 Complete ignition upgrade to Thunderbolt IV 2011 All new shift and throttle cables 2012 New Quicksilver controls 2012 Install onboard marine battery charger 2013 Install new trim and tilt sensors 2013 Complete Drive service on both drives 2014 Rebuild both Carbs. 2014 Installed new pedestals on front seats Added batteries (boat now has 4 batteries.) Installed battery quick disconnect switches Installed crossover switches for emergency starting

Location: Monroe, MI
Asking Price: \$13,500

1982 312 Chris Craft Stinger, twin 454's 330hp each, trs drives. Boat's in decent shape, we put about 4K in the engines in 2011, all new gaskets, hardware, cast aluminum headers, exhaust tips, valve job. Gages are liquid filled about 5 years old. Trailer is aluminum I-Beam, all stainless hardware and disc brakes. The main problem is the gas tank developed a slow leak and needs to be repaired. It's a 150 gallon under the deck tank. Distributors have Pertronix electronic ignitions installed.

Model: 1984 390
Location: La Mirada, CA
Asking Price: \$49,500

Likely the finest original 1984 Stinger 390X in existence, particularly in the rare factory beige/brown/yellow/orange color scheme. Continues to have original hardware, colors, graphics, stereo, refrigerator, gauges, outdrives, engines, and MYCO trailer. Engines rebuilt Fall 2014, only 20 hours operation since. Trailer improved with disc brakes (were drum), new springs, master cylinder hitch assembly, tongue jack, line lock for backing, chains and more. Cabin now has Teak floor and brushed stainless fridge door. Cockpit updated with amplifier, Rockford-Fosgate speakers, stainless counter/sink top, Teak floor and trim, new upholstery, new gauge bezels and powder coated surrounds and more. Engines extremely well cared for and start/run well. Outdrives received new bellows and carrier bearings Fall 2014 as well. Fresh cockpit, deck and bottom Awlgrip Awlcraft 2000 paint with professionally applied silicone anti-skid finish. Most of this boat's life was in Portland, Oregon in fresh waters of the Columbia River. Always high-and-dry or trailered. Currently in Southern California. This boat is a joy to own/operate, and particularly rewarding when answering to compliments, questions and admiration where ever you take it! Mionli Vice is truly an important part of American boating history, that is gaining value and more notoriety every day. It can be yours!

Model: 1985 260
Location: Knoxville, TN
Asking Price: \$18,995

Here is your chance to own one of the most legendary boats in the history of offshore. This is the 26' version of the Chris Craft Stinger. This particular model is the 260 SL limited. This features upgraded graphics and interior treatments as well as the iconic radar arch. This boat was repowered with completely rebuilt 1994 Mercruiser 5.7 (350) EFI engines in 2005. Get the look and performance of the classic twin engine V-8 offshore boat with the efficiency and reliability of modern electronic fuel injection (throttle body fuel injection for you techies). Sorry, no accurate reading on the hour meters, but again the engines were completely (Crank, pistons, heads, etc...) rebuilt in 2005. This boat fires up every time, gives great performance, with a smooth ride that most new boats can't match.

Model: 1985 314
Location: St Marks, FL
Asking Price: \$18,000

1985 Chris-Craft Stinger 314 S. Twin Yamaha 225's with 500 hrs. Just completed 100 hr maintenance. Includes Garmin GPSMAP 720s, Clarion AM/FM/CD Stereo, Uniden VHF marine radio with new antenna, full canvas boat cover, trim tabs, fuel management system, new Carling rocker switch panel. Classic boat in great shape!

Model: 1986 260
Location: Knoxville, TN
Asking Price: \$9,750

This is a rock-solid all fiberglass 1986 26' Chris Craft Stinger LTD with a great trailer! It is a bit of a project, but not an insurmountable one. This boat features twin 260 hp Mercruisers with outdrives, drop down bolsters, power trim tabs, V-berths, a radar arch (not installed in the pictures but I have it), and a nice built-in swim platform. The boat was on a lift and swamped in a storm a few years ago, so the engines were removed and completely rebuilt by a professional mechanic. It has all new exhaust manifolds. The engines and drives now need to be reinstalled, but the motors have zero hours on them. The upholstery is original and complete, but is weathered. The carpet in the interior needs to be replaced. The hull needs to be polished, but, like I said, it is very solid with no soft spots in the flooring at all. The trailer is a galvanized Wesco tandem axle with brakes on both axles. This trailer is heavy duty and makes other boat trailers look like toys! The trailer itself is worth at least \$5000. I know, because I looked for one endlessly until I found this one! This is great looking, solid boat that is the perfect size for our area lakes. With a little work you can have something special for a bargain price. It has been stored inside my garage for several years which is why it is so dusty in the pictures. It is now stored under cover on its trailer. I will consider all trades, especially for old cars and/or motorcycles or later model heavy-duty pickups or vans.

Estate Sale -My late father's pride and joy is now for sale. This 1987 31.5' Chris Craft Scorpion is being sold along with the 3 axle Load Rite trailer. I enjoyed many years on the Potomac River with my Dad and although his "Great Escape V" had been the envy of many it has now sat winterized, garage kept and in recent years stored at my residence. I am not a boater by nature and it is time to let that piece of my Dad and his life go while holding onto the memories. This was a Documented vessel "Certificate of Documentation" and after his passing in March 2011 was not renewed and expired July 31, 2011. The Vessel Name: The Great Escape V, Length: 31.5 Breadth: 8.0 Depth: 5.5 The Load Rite trailer is a 1989 3 axles with a Gross Weight: 15,600 This 31.5' Chris Craft Scorpion Sport Cruiser with radar arch and canvas cock pit cover has been kept out of the water for several years now, the exterior paint is sun faded but in excellent condition. The interior is in great condition and can be brought back to excellent condition with a little TLC and elbow grease. This sale includes two 7.4 cubic inch 454 MerCruiser motors, 1 has a blown head gasket. The Load Rite trailer has cradled this boat for several years, we are now looking for a boating enthusiast to bring this duo back to the waterways where they belong.

Model: 1988 202
Location: Rochester, NY
Asking Price: \$8,000

I have a super rare 88' chris craft stinger 202 for sale. It has 165 hours on the hull. This boat is like brand new. I literally just finished it. This is the coolest fiberglass speed boat that Chris Craft ever made and was made for the Miami Vice tv series. They were built in very limited quantities and there are only a handful of these left. There is a website dedicated to them, I know of no other boats that have a cult following. I built this one to be better than it was originally. It is an attention grabber. I get compliments on it wherever I am and have had numerous offers on it even before I restored it. I'm selling it because I'm getting married and need the money. I just put well over \$7500 into it this summer alone and have well over 12K into it total. I had planned on using it but sadly it needs to go. Weddings are insanely expensive and I'm finding out the hard way. I replaced the motor and outdrive. It has an OMC 4.3L v-6 and an OMC cobra outdrive. Next, I gutted the boat completely and installed new marine ply, fiberglass, carpet, custom built seats and engine cover and had everything professionally upholstered. I installed a new GT steering wheel, a Sony marine cd/mp3/satellite radio which sounds awesome, a new bilge pump, new fuel lines, new aluminum swivel/slider/adjustable height seat posts and new Tracker style folding seats. The interior work cost over \$4K alone but was well worth it. It came out awesome. I had a 4bbl. Rochester carb installed which brings the HP up to 205 and will do over 60MPH. I had the pin striping re-done on the boat and matching Shorelandr trailer. I replaced the tires, lights, and started to strip and repaint the entire trailer. It also has a new deep cycle battery. There are 2 swim platforms molded into the stern that have teak foot boards and they were also refinished and look great. I also just purchased a new trailerable cover for it. I even just filled the tank with ethanol free 93 octane fuel. I'm probably forgetting a lot. If you're interested you must include the words eighty-eight chris craft to get a response due to spammers. I know it's the wrong time of the year to sell a boat and I could get more for it this spring which is why I priced it where it is. It is well worth the money. Chris craft builds the very best boats around and this one is better than new.

Model: 1988 260
Location: Port Washington, WI
Asking Price: \$6,500

1988 Chris Craft Stinger Project If you like it fast and loud this is the project for you. 26.5 ft Chris Craft Stinger with all the parts to put this back together and get it running are included, except for one gimbil unit and a few small parts. Cockpit will need to be redone. The cabin is in fine shape. It has a swim platform and a radar arch. It does need some tlc and the bottom painted. Tandem axle trailer with surge brakes, can be towed anywhere. The 5.7 Mercruiser engines have been removed to replace the gimbals. Starboard 260 hp motor has been rebuilt three years ago and has less than two hours running time. The port 270 hp motor has been rebuilt a few years back with low hours on it. Both alpha drives with props are included. One gimbil has been purchased and another will be required. The steering system was recently rebuilt with a replacement hydraulic steering cylinder and cable. A bimini top is also included. I have over \$13,000 in this project and have lost interest. This a bargain at \$6,500 Still in storage and will be out April 1

Boat Hull is pretty clean, Imron paint two years prior to me buying her in 2013 (per previous owner), set up for SBC twins and alpha drives, off- color repaint spot, stbd side above rub rail. DOES NOT INCLUDE ENGINES, but includes drives, bennet tabs, all cables, rigging and harnesses in place. has drop down bolsters with adjustable headrests, but the upholstery is SHOT. the top edges are all split from sun and exposure (prior to me owning it), no back seat and no sunpad cushions. cabin cushions are intact and upholstery is good. through-hull exhaust and integral swim platform. Chris Craft also puts the HIN on the hull itself so you can run it with the platform removed. Includes Boatmaster aluminum double axle trailer, needs new brakes, tires good, 6 lug wheels. I'm open to offers and possible trades (work van?) (big Blocks?). she needs some work but I also restore these and i know what a great boat she will be again, i just happen to own several Stingers and i need to let one or two go.

1988 Stinger 312 Fittipaldi Equipe. 34 foot bow to stern. Twin normally aspirated GEN V 502 HO's(Casting # 14096859) and Bravo Ones. I just hade the port side Gimbil Ring replaced with OEM Merc parts and installed by a Merc certified shop, Dynamic Speed and Marine last summer. Both outdrives have new trim sensors, exhaust boots, seals, drive oil and paint. The out drives have not yet seen water since rebuild. I have the Survey and Sea trial paperwork when I bought it a year and a half ago. The rear seat has been re fitted. The mooring cover needs to be replaced but I still use the old one. The paint has had to many buff jobs with to much rubbing compounds

so the clear coat is tough. aside of a couple chips she looks good and is sea worthy. 6 new tires and a new spare with baring buddies.

This is a rare find. This model was only manufactured for two years as an entry level offshore cigarette style racer. A total of 295 of these were ever produced and only 47 are in registry from what I have read. This boat is listed in the Chris Craft registry under its original name "Three's Company". They originally came equipped with a supercharged V-6 but most have been changed to V-8 engines as has this one. It has a Mercruiser 350 Magnum with a high rise edelbrock manifold and edelbrock quadrajat carb. The four inch dual thru hull exhaust has been fitted with high flow silencers. It Has a stainless prop, and was recently serviced including the impeller. The boat is all original including the interior. It has been well maintained along the way and is in very good condition regardless of its age. The trailer is original to the boat and has a plaque stating it was made for the boat. I have completely rebuilt the trailer from the ground up. The only original part of the trailer is the actual frame. Everything else on it is brand new. This boat will run 65mph. It is fast, loud, and a blast to drive. It handles all waters very well and sticks like glue in turns. I'm selling it because I want something more practical that you can take more than just two people with you. As you see in the pictures, you sit three abreast in the cockpit and there isn't room for much else. It does have a small cuddy under the bow but it isn't very user friendly. This vessel is a go out and tear up some water then put it away kind of boat. It's easily towed by a small SUV since the boat itself only weighs 2600 lbs. I WILL CONSIDER TRADES FOR A SIMILAR TYPE SPORTBOAT WITH OR WITHOUT A CUDDY THAT WILL SEAT FOUR PEOPLE BUT NOT LARGER THAN 24' OR A CONVERTIBLE SPORTS CAR.
