

Welcome to the February, 2018 Newsletter

Welcome to the February newsletter. This month I have made some changes to the format of the newsletter and how it's distributed. The change to the format of the newsletter is to make it easier to create, and hopefully easier to read. And, I'm changing the delivery of the newsletter, and am now using the MailChimp service. This should help in maintaining the email subscription list, and make it easier for users to subscribe/unsubscribe to the newsletter.

In addition to these changes, more Stingers have been added to the registry. There are now

876 Stingers in the registry. One of the new Stingers is a 1988 415 located in Mexico that was listed for sale this past month.

Until next month,
Han

Chris-Craft: The Essential Guide - Stinger Edition #1

If you are at all interested in Chris-Craft boats, you know that one of the must have books is *Chris-Craft: The Essential Guide*, written by Jerry Conrad. This book uses official Chris-Craft documentation (now housed at the Mariner's Museum in Newport News, VA) to provide specification for every model Chris-Craft built.

Each page in the book provides a picture of the model, and detailed info on each model including hull numbers, physical specs, and any special notes.

However, for those of us interested in Stingers, there is one problem with the book - it only lists models into the 1970s. Thus, there is no info on Stingers in the book.

This has bothered me. Therefore, I have decided to create pages for the Stingers myself. In the next couple of newsletters, I am going to present two pages, or models, each newsletter. In this issue, you will find pages for the Stinger 202 and 222s - hope you enjoy!

Stingers for Sale

Below is a list of Stingers that have come up for sale during the previous month. The information for each boat in this section accompanied the owner's original advertisement. If you are interested in one of the boats please contact me at ccstinger@gmail.com.

Model: 1982 260
Location: Waukegan, IL
Asking Price: \$21,000

For Sale: DIXIE NORMOUS 1982 Chris Craft 260 Stinger Built in 1982 in Bradenton, Florida I purchased this Boat in June 2009. This boat had a scratch and/or a ding here and there yet ran and drove quite well. I'm in my mid 70's and have been a boat person all my life, and I might add that I operated a full service boat company for several years. I'm quite capable of handling any mechanical, wood or fiberglass challenges. I'm retired and I have time on my hands, so I applied myself and brought this boat up to my standards. I also have many friends in the boat business so there's very little I or they can't handle. This boat has twin 260HP, 350cu/in engines with Alpha One outdrives. It has a Teak swim platform as wells a 3 blade stainless props. I repaired the dings and scratches on the hull, prepped then painted the hull. I used the original colors for the base cote then clear coated it. Over the years I made several changes (they're listed below) because I had the ability, time and finances. I've always used Mobil 1 15/50 in the engines along with Merc oil filters. All the parts and upgrades I have used on this boat were from Mercruiser. At present the exterior of this boat is as new as are all the cushions and seats. I never got to the cabin which could use some updating. Upgrades and Enhancements that I have done to this boat. Paint entire exterior using original colors. 2010 Recovered and replaced the foam in all cushions and seats 2010 Installed remote oil filter up grade (for easy access.) 2010 Installed new exhaust manifolds & risers (center type risers.) 2011 Installed through the transom exhaust system (using 4" polished stainless) 2011 Complete ignition upgrade to Thunderbolt IV 2011 All new shift and throttle cables 2012 New Quicksilver controls 2012 Install onboard marine battery charger 2013 Install new trim and tilt sensors 2013 Complete Drive service on both drives 2014 Rebuild both Carbs. 2014 Installed new pedestals on front seats Added batteries (boat now has 4 batteries.) Installed battery quick disconnect switches Installed crossover switches for emergency starting

Model: 1984 260
Location: Willsboro, NY
Asking Price: \$4,000

1984 Chris Craft stinger model 260 SL. Twin Mercruiser 260 HP engines. Both engines run very good but one needs a new carburetor. Twin Alpha One drives with stainless steel cleaver propellers. 	<p>Model: 1984 390 Location: San Antonio, TX Asking Price: \$49,500</p> <p>Likely, the finest original 1984 Stinger 390X in existence, particularly in the rare factory beige/brown/yellow/orange color scheme. Continues to have original hardware, colors, graphics, stereo, refrigerator, gauges, outdrives, engines, and MYCO trailer. Engines rebuilt Fall 2014, only 20 hours operation since. Trailer improved with disc brakes (were drum), new springs, master cylinder hitch assembly, tongue jack, line lock for backing, chains and more. Cabin now has Teak floor and brushed stainless fridge door. Cockpit updated with amplifier, Rockford-Fosgate speakers, stainless counter/sink top, Teak floor and trim, new upholstery, new gauge bezels and powder coated surrounds and more. Engines extremely well cared for and start/run well. Outdrives received new bellows and carrier bearings Fall 2014 as well. Fresh cockpit, deck and bottom Awlgrip Awlcraft 2000 paint with professionally applied silicone anti-skid finish. Most of this boat's life was in Portland, Oregon in fresh waters of the Columbia River. Always high-and-dry or trailered. Currently in Southern California. This boat is a joy to own/operate, and particularly rewarding when answering to compliments, questions and admiration wherever you take it! Mionli Vice is truly an important part of American boating history that</p>

	<p>Model: 1988 202 Location: Rochester, NY Asking Price: \$8,000</p> <p>I have a super rare 88' chris craft stinger 202 for sale. It has 165 hours on the hull. This boat is like brand new. I literally just finished it. This is the coolest fiberglass speedboat that Chris Craft ever made and was made for the Miami Vice tv series. They were built in very limited quantities and there are only a handful of these left. There is a website dedicated to them, I know of no other boats that have a cult following. I built this one to be better than it was originally. It is an attention grabber. I get compliments on it wherever I am and have had numerous offers on it even before I restored it. I'm selling it because I'm getting married and need the money. I just put well over \$7500 into it this summer alone and have well over 12K into it total. I had planned to use it but sadly, it needs to go. Weddings are insanely expensive and I'm finding out the hard way. I replaced the motor and outdrive. It has an OMC 4.3L v-6 and an OMC cobra outdrive. Next, I gutted the boat completely and installed new marine ply, fiberglass, carpet, custom-built seats and engine cover and had everything professionally upholstered. I installed a new GT steering wheel, a Sony marine cd/mp3/satellite radio, which sounds awesome, a new bilge pump, new fuel lines, new aluminum swivel/slider/adjustable height seat posts and new Tracker style folding seats. The interior work cost over \$4K alone but was well worth it. It came out awesome. I had a 4bbl. Rochester carb installed which brings the HP up to 205 and will do over 60MPH. I had the pin striping re-done on the boat and matching Shorelander trailer. I replaced the tires, lights, and started to strip and repaint the entire trailer. It also has a new deep cycle battery. There are 2 swim platforms molded into the stern that have teak footboards and they were also refinished and look great. I also just purchased a new trailerable cover for it. I even just filled the tank with ethanol free 93-octane fuel. I'm probably</p>

	<p>forgetting a lot. If you're interested you must include the words eighty-eight chris craft to get a response due to spammers. I know it's the wrong time of the year to sell a boat and I could get more for it this spring which is why I priced it where it is. It is well worth the money. Chris craft builds the very best boats around and this one is better than new.</p>
	<p>Model: 1988 260 Location: Kingston, NY Asking Price: \$4,500</p> <p>Boat Hull is pretty clean, Imron paint two years prior to me buying her in 2013 (per previous owner), set up for SBC twins and alpha drives, off- color repaint spot, stbd side above rub rail. DOES NOT INCLUDE ENGINES, but includes drives, bennet tabs, all cables, rigging and harnesses in place. Has drop down bolsters with adjustable headrests, but the upholstery is SHOT. the top edges are all split from sun and exposure (prior to me owning it), no back seat and no sunpad cushions. Cabin cushions are intact and upholstery is good. Through-hull exhaust and integral swim platform. Chris Craft also puts the HIN on the hull itself so you can run it with the platform removed. Includes Boatmaster aluminum double axel trailer, needs new brakes, tires good, 6 lug wheels. I'm open to offers and possible trades (work van?) (big Blocks?). She needs some work but I also restore these and i know what a great boat she will be again, i just happen to own several Stingers and i need to let one or two go.</p>
