

**Welcome to the
June, 2018
Newsletter**

Welcome to the June newsletter.

This is the busy time of the season, and it gets busy for me as buying/selling activity increases. Of note this past month is that another(!) Stinger 415 listed on the website recently sold.

Two Stingers were added to the "for sale" section of the website this month - another 415 (1989) and a special 1987 390. The 1987 390 is special because it seems to have been one of the boat used by the government in drug interdiction activities in the 1980s. An article detailing this boat can be found in the [June, 2016 newsletter](#).

Lastly, six new Stingers were added to the registry bringing the total to 891 -

closing in on 900 Stingers in the registry!

Until next month,
Han

Stinger Manuals

New owners of Stingers contact me looking for items for their boats. One of the most requested items owners look for are manuals for their Stingers. Unfortunately, I've never seen a Stinger-specific manual. The closest to a manual I've seen is a Chris-Craft Sportboat Owner's Manual.

I've recently come across two 1982 Sportboat Owner's Manuals (which are for sale on the website). Even though the manuals have a picture of a Stinger 312 on the cover,

they are relevant for all Chris-Craft sportboats.

The owner's manual is an interesting read, and gives an interesting perspective on what it was like to own a Chris-Craft sportboat in 1982. For example, some of the items I've learned from the manual:

- The warranty does not cover gelcoat finish cracking, crazing, discoloration or blistering.
- The warranty does not cover any boat which is repowered beyond Chris-Craft's recommendations.
- "Flying" over the water at very high speeds is an extreme thrill to both the beginner and the practiced. Until you are a skilled skipper - go slow.

- Your Chris-Craft sport boat's outer surface is an approximately 15 millimeter thick pigmented polyester resin called gelcoat.
- Three types of wood may be used in the construction of Chris-Craft boats: spruce and plywood are used as reinforcement material in the hull and deck, and teak is used extensively for trims and hatch covers.

The manual also states:

Although this manual is a basic introduction, it is not all inclusive. There are other handbooks and written directions pertaining to the operation of your Chris-Craft placed aboard at the time of delivery.

Would love to know just what other handbooks came with a new Stinger!

The manual has chapters titled "High Performance Boats", "Starting", "Check Points for Peak Performance", "Water Skiing"(!) and "Commonly Used Nautical Terms".

One of the more interesting items in the manual is a diagram of a "typical fuel system".

These manuals are hard to find, but well worth reading for anyone interested in Stingers.

Chris-Craft: The Essential Guide - Stinger Edition #5

In the February 2018 newsletter, I started a series of articles titled "The Essential Guide - Stinger Edition". Here's the fifth article in the series.

If you are at all interested in Chris-Craft boats, you know that one of the must have books is *Chris-Craft: The Essential Guide*,

written by Jerry Conrad. This book uses official Chris-Craft documentation (now housed at the Mariner's Museum in Newport News, VA) to provide specifications for every model Chris-Craft built.

Each page in the book provides a picture of the model, and detailed info on each model including hull numbers, physical specs, and any special notes.

However, for those of us interested in Stingers, there is one problem with the book - it only lists models into the 1970s. Thus, there is no info on Stingers in the book.

This has bothered me. Therefore, I have decided to create pages for the Stingers myself. In the next couple of newsletters, I am going to present two pages, or models, each newsletter. In this issue, you will find pages for the Stinger 375 and 385s - hope you enjoy!

Model: 1982 260
Location: Waukegan, IL
Asking Price: \$21,000

For Sale: DIXIE NORMOUS 1982 Chris Craft 260 Stinger Built in 1982 in Bradenton, Florida I purchased this Boat in June 2009. This boat had a scratch and/or a ding here and there yet ran and drove quite well. I'm in my mid 70's and have been a boat person all my life, and I might add that I operated a full service boat company for several years. I'm quite capable of handling any mechanical, wood or fiberglass challenges. I'm retired and I have time on my hands, so I applied myself and brought this boat up to my standards. I also have many friends in the boat business so there's very little I or they can't handle. This boat has twin 260HP, 350cu/in engines with Alpha One outdrives. It has a Teak swim platform as wells a 3 blade stainless props. I repaired the dings and scratches on the hull, prepped then painted the hull. I used the original colors for the base cote then clear coated it. Over the years I made several changes (they're listed below) because I had the ability, time and finances. I've always used Mobil 1 15/50 in the engines along with Merc oil filters. All the parts and upgrades I have used on this boat were from Mercrusier. At present the

exterior of this boat is as new as are all the cushions and seats. I never got to the cabin which could use some updating. Upgrades and Enhancements that I have done to this boat. Paint entire exterior using original colors. 2010 Recovered and replaced the foam in all cushions and seats 2010 Installed remote oil filter up grade (for easy access.) 2010 Installed new exhaust manifolds & risers (center type risers.) 2011 Installed through the transom exhaust system (using 4" polished stainless) 2011 Complete ignition upgrade to Thunderbolt IV 2011 All new shift and throttle cables 2012 New Quicksilver controls 2012 Install onboard marine battery charger 2013 Install new trim and tilt sensors 2013 Complete Drive service on both drives 2014 Rebuild both Carbs. 2014 Installed new pedestals on front seats Added batteries (boat now has 4 batteries.) Installed battery quick disconnect switches Installed crossover switches for emergency starting

Model: 1984 260
Location: Willsboro, NY
Asking Price: \$4,000

1984 Chris Craft stinger model 260 SL. Twin Mercruiser 260 HP engines. Both engines run very good but one needs a new carburetor. Twin Alpha One drives with stainless steel cleaver propellers. Boat needs work but is usable in current condition. Currently winterized and shrink wrapped but can be seen. Was not used this season. Some cosmetic fiberglass work needed and upholstery needs work. Interior overhead fabric damaged in one spot. No trailer but currently sitting on a yard trailer that may be available. Fun boat to drive. 50 + MPH. Low retail from NADA is \$5610.00. More pictures available.

Model: 1984 260

Model: 1984 390
Location: San Antonio, TX
Asking Price: \$49,500

Likely, the finest original 1984 Stinger 390X in existence, particularly in the rare factory beige/brown/yellow/orange color scheme. Continues to have original hardware, colors, graphics, stereo, refrigerator, gauges, outdrives, engines, and MYCO trailer. Engines rebuilt Fall 2014, only 20 hours operation since. Trailer improved with disc brakes (were drum), new springs, master cylinder hitch assembly, tongue jack, line lock for backing, chains and more. Cabin now has Teak floor and brushed stainless fridge door. Cockpit updated with amplifier, Rockford-Fosgate speakers, stainless counter/sink top, Teak floor and trim, new upholstery, new gauge bezels and powder coated surrounds and more. Engines extremely well cared for and start/run well. Outdrives received new bellows and carrier bearings Fall 2014 as well. Fresh cockpit, deck and bottom Awlgrip Awlcraft 2000 paint with professionally applied silicone anti-skid finish. Most of this boat's life was in Portland, Oregon in fresh waters of the Columbia River. Always high-and-dry or trailered. Currently in Southern California. This boat is a joy to own/operate, and particularly rewarding when answering to compliments, questions and admiration wherever you take it! Mionli Vice is truly an important part of American boating history that is gaining value and more notoriety every day. It can be yours!

Essentially this is a "one" Owner Boat as ownership has remained within same family since it was brand new. Here are the particulars:- 1985 Chris Craft Stinger 260 SL - Twin Mercury 260 I/O with Alpha Drives. - Just shy of 800 HRS on Motors. - Stainless Steel Clever Props. - Hull is rock solid with no cracks. - Cabin is good shape. - Boat has been sitting since 2011 and will need some work because of sitting. - Sale includes Aluminum Trailer rebuilt within past 6 months. - Boat is located in Central Florida. - Boat will definitely require some work, but is well worth it. Asking Price is \$ 7,250 OBO

Model: 1986 222
Location: Brockport, NY
Asking Price: \$6,995

1986 stinger 222, 350 merc alpha 1 outdrive. Boats in good shape. In the last 3 years transom has been replaced, stringers, bellows, gimbal bearing, coupler, upgraded outdrive Hydraulic pump, impeller, 4 new trailer tires this year. Do your research on these boats rare one of a kind

	<p>ahead of its time. This one has not been molested and turned into something it wasn't meant to be. Make me an Offer.</p>
	<p>Model: 1986 222 Location: Benton, LA Asking Price: \$10,500</p> <p>10,500 ... OBO Good solid boat.. Needs a little TLC 454 motor... 4 inch wet jet Needs outdrive seal and upholstery done. 5,000 trailer all aluminum Custom wheels</p>
	<p>Model: 1986 312 Location: Indianapolis, IN Asking Price: \$21,500</p> <p>1986 Chris-Craft 312 Stinger. Twin 454 Mercruisers rebuilt to factory 420 specs. TRS drives with new props. Older repaint & upholstery, 1200-watt inverter in cabin with 110-volt outlets, small sink, refrigerator, porta potty. Very roomy cabin that can sleep 5 if needed, 4 very comfortably. Everything works as should in cabin, CD player with 2 speakers in cabin & 2 outside. Road cover, cockpit cover, bimini top. Shore power hook up, a very solid boat for the year. I removed the arch & still have it. Trailer included. I can text or e-mail pics. Motivated seller, make offer. \$21,500. OBO.</p>
	<p>Model: 1988 202 Location: Rochester, NY Asking Price: \$8,000</p> <p>I have a super rare 88' chris craft stinger 202 for sale. It has 165 hours on the hull. This boat is like brand new. I literally just finished it. This is the coolest fiberglass speedboat that Chris Craft ever made and was made for the Miami Vice tv series. They were built in very limited quantities and there are only a handful of these left. There is a website dedicated to them, I know of no other boats that have a cult following. I built this one to be better than it was originally. It is an attention grabber. I get compliments on it wherever I am and have had numerous offers on it even before I restored it. I'm selling it because I'm getting married and need the money. I just put well over \$7500 into it this summer alone and have well over 12K into it total. I had planned to use it but sadly, it needs to go. Weddings are insanely expensive and I'm finding out the hard way. I replaced the motor and outdrive. It has an OMC 4.3L v-6 and an OMC cobra outdrive. Next, I gutted the boat completely and installed new marine ply, fiberglass, carpet, custom-built seats and engine cover and had everything professionally upholstered. I installed a new GT steering</p>

wheel, a Sony marine cd/mp3/satellite radio, which sounds awesome, a new bilge pump, new fuel lines, new aluminum swivel/slider/adjustable height seat posts and new Tracker style folding seats. The interior work cost over \$4K alone but was well worth it. It came out awesome. I had a 4bbl. Rochester carb installed which brings the HP up to 205 and will do over 60MPH. I had the pin striping re-done on the boat and matching Shorelander trailer. I replaced the tires, lights, and started to strip and repaint the entire trailer. It also has a new deep cycle battery. There are 2 swim platforms molded into the stern that have teak footboards and they were also refinished and look great. I also just purchased a new trailerable cover for it. I even just filled the tank with ethanol free 93-octane fuel. I'm probably forgetting a lot. If you're interested you must include the words eighty-eight chris craft to get a response due to spammers. I know it's the wrong time of the year to sell a boat and I could get more for it this spring which is why I priced it where it is. It is well worth the money. Chris craft builds the very best boats around and this one is better than new.

Model: 1988 260
Location: Kingston, NY
Asking Price: \$4,500

Boat Hull is pretty clean, Imron paint two years prior to me buying her in 2013 (per previous owner), set up for SBC twins and alpha drives, off- color repaint spot, stbd side above rub rail. DOES NOT INCLUDE ENGINES, but includes drives, bennet tabs, all cables, rigging and harnesses in place. Has drop down bolsters with adjustable headrests, but the upholstery is SHOT. the top edges are all split from sun and exposure (prior to me owning it), no back seat and no sunpad cushions. Cabin cushions are intact and upholstery is good. Through-hull exhaust and integral swim platform. Chris Craft also puts the HIN on the hull itself so you can run it with the platform removed. Includes Boatmaster aluminum double axel trailer, needs new brakes, tires good, 6 lug wheels. I'm open to offers and possible trades (work van?) (big Blocks?). She needs some work but I also restore these and i know what a great boat she will be again, i just happen to own several Stingers and i need to let one or two go.

	<p>Model: 1988 375 Location: Clemson, SC Asking Price: \$35,000</p> <p>For Sale: Chris Craft 375 Stinger, Bad XXX, Miami Vice, twin 460, King Cobra, excellent condition no scratches dings or cracks! All original! 37'8" of sexy! This girl is Big! Bad! Straight exhaust, 550 hrs boat and motors!</p>
	<p>Model: 1988 415 Location: Lake Lewisville, TX Asking Price: \$9,000</p> <p>This boat was close to being put back on the water but then several moves and health issues caused the project to stall. I ran this boat for a couple of seasons, then decided to do a bunch of upgrades on it. Here is a list of what has been done. New transom Rebuilt steering gimbals New hoses and hydraulic lines Rebuilt engines (420 HP 454's) Rebuilt generator (Oman 6.5) The boat has been sitting for a few years and the bad thing is there is mildew in the cabin and likely rain water issues with the engines. I am selling this boat for the cost of the trailer, drives, and transmissions. This boat is solid and deserves to be finished. I didn't even mention the thousands spent on various parts of rigging and miscellaneous stuff.</p>
	<p>Model: 1986 222 Location: Ontario, NY Asking Price: \$8,000</p> <p>86/CHRIS CRAFT 222 STINGER.. MILDLY BUILT 350 MAGNUM. Holley 650 , Gill exhaust, stainless prop. Aloha. Boat is solid!!! Model: 1986? 222
Location: Perkiomenville, PA
Asking Price: \$1,400

RARE FIND - 1986 with a Merc cruiser Alpha one. I believe it is a 350 Engine. Length is 22.5 ft. Needs a Prop, and the upholstery redone. I was told there is zero hrs. on the engine since it was rebuilt. Can't guarantee that since this is part of an estate. This model in excellent condition could go for over \$10,000. Being sold as is, due to an estate sale. No title, only bill of sale. No pictures available yet. Consider this a project boat, been sitting.
